# Safety Instruction Guide for SCHMEISSER QSM Mount

## Introduction

Thank you for choosing the SCHMEISSER QSM Mount. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your mount. Please read this document thoroughly before use to ensure proper handling and to maximize the performance of your product.

## General Safety Guidelines

- Ensure that the mount is compatible with your firearm before installation.
- Always handle your firearm and the mount with care.
- Keep the mount and all related components out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Do not modify the mount or use it for any purpose other than its intended use.
- Always follow the manufacturer's instructions for your firearm when attaching or using the mount.
- If you experience any issues or concerns with the mount, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the mount.
- Use the SelfLocking Lever Lock feature to secure the mount on the Picatinny rail properly.
- Check the builtin Spirit Level for proper alignment before taking any shots.
- Avoid using the mount in extreme weather conditions unless it is rated for such use.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.
- If you are a beginner, seek guidance from an experienced shooter or instructor.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the Picatinny rail on your firearm.
- Align the mount with the rail and slide it into position.
- Engage the SelfLocking Lever Lock to secure the mount. Ensure it is locked in place.
- Check the mount's stability by gently tugging on it to confirm it is securely attached.

### 2. Usage

- Before using the firearm, check the builtin Spirit Level to ensure the mount is aligned correctly.
- When ready to shoot, ensure that you are in a safe environment and that your firearm is in proper working order.
- After use, remove the mount if necessary, and store it in a safe place.

## Disposal Instructions

- Dispose of the mount in accordance with local regulations.
- Do not dispose of the mount in regular household waste.
- If the mount is damaged or no longer in use, consider recycling materials where possible.
