# SCHMEISSER QSM Mount Safety Instruction Guide

## Introduction

Thank you for choosing the SCHMEISSER QSM Mount. This guide provides essential safety instructions and usage information to ensure the safe operation of the product. Please read this guide thoroughly before using the mount.

## General Safety Guidelines

- Ensure the mount is compatible with your firearm and accessories before installation.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the mount and all related components out of reach of children and unauthorized users.
- Regularly inspect the mount for wear and tear. If any damage is found, discontinue use immediately.
- Do not modify the mount in any way, as this may compromise safety and functionality.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the mount.
- Use proper eye protection when handling firearms equipped with the mount.
- Ensure the mount is securely attached to the firearm before use to prevent accidents.
- Be aware of your surroundings and ensure a safe shooting environment when using the mount.
- Do not use the mount under adverse weather conditions that may affect visibility or firearm performance.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Gather all necessary tools and ensure you have a clean working area.
- Verify that the mount is free from damage.

#### 2. Attaching the Mount

- Align the mount with the Picatinny rail on your firearm.
- Use the SelfLocking Lever Lock to secure the mount in place. Ensure it is tightened without the need for additional tools.
- Confirm that the mount is firmly attached by attempting to move it slightly. It should not shift or loosen.

#### 3. Adjusting the Mount

- Adjust the mount for optimal eye relief and alignment based on your shooting preference.
- Make sure adjustments are secure before use.

### Usage

- Always follow safe firearm handling practices when using the mount.
- Regularly check the mount's stability during use, especially after multiple shots.
- If you experience any issues with the mount during usage, stop using it immediately and consult a professional.

## **Disposal Instructions**

- Dispose of the mount and its components in accordance with local regulations.
- Do not dispose of the mount in regular household waste if it contains hazardous materials.
