## CKYE Pod Mount

### Introduction

Thank you for choosing the MDT CKYEPOD Gen2 Bipod Attachment Heads. This product is designed to enhance your shooting experience by providing stability and precision. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this manual carefully.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always inspect the CKYEPOD attachment heads for any signs of wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- Use the CKYEPOD attachment heads in a safe environment, free from hazards that could lead to accidents.
- Be aware of your surroundings when using this product, and ensure that no one is in the line of fire.
- Follow all local laws and regulations regarding the use of shooting accessories.

### Specific Safety Precautions for Use

- **Adjustable Height and Angle:** Ensure that the height and angle adjustments are securely locked before using the bipod.
- **QuickRelease Mechanism:** Familiarize yourself with the quickrelease mechanism to ensure safe and efficient attachment and detachment from your equipment.
- **Load Capacity:** Do not exceed the recommended load capacity of the CKYEPOD attachment heads to prevent failure.
- **Weather Conditions:** Avoid using the product in extreme weather conditions (heavy rain, snow, or high winds) that may compromise stability.
- **Inspection:** Regularly check for loose screws or parts and tighten them as necessary to maintain safety and functionality.

### Instructions for Installation and Usage

#### 1. Installation:

- Identify the Picatinny rail on your firearm where the CKYEPOD will be mounted.
- Align the attachment head with the rail and slide it into place.
- Secure the attachment head by tightening the locking mechanism until it is firmly in place.
- Adjust the height and angle as needed, ensuring all adjustments are locked before use.

#### 2. Usage:

- Before using the bipod, ensure that your firearm is unloaded and pointed in a safe direction.
- Adjust the bipod to your preferred height and angle.
- Place the bipod on a stable surface or terrain for optimal support.
- When ready to shoot, ensure your firearm is securely mounted and that the bipod is stable.

### Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and nonfood items.
- If the product is damaged or no longer in use, consider recycling it at a designated facility to minimize environmental impact.

- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the MDT CKYEPOD Gen2 Bipod Attachment Heads, please contact your local distributor or visit the manufacturer's website for support resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT CKYEPOD Gen2 Bipod Attachment Heads. Thank you for choosing our product, and stay safe.
