

Barricade Grip Picatinny - Angled Barricade Grip Picatinny FDE

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

This lightweight, flat grip assists the shooter in achieving a comfortable grip with a natural finger placement, a pronounced hand stop at the rear, and a non-slip, textured surface that keeps the hand in place even in wet conditions. The serrated front allows the shooter to brace the rifle against barricades, rock outcroppings, or other available surfaces, creating a reliable shooting platform without worrying about slippage.

Introduction

Thank you for choosing the Barricade Grip Picatinny Angled Barricade Grip Picatinny FDE. This product is designed to enhance your shooting experience by providing a comfortable and secure grip. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep the Barricade Grip out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage before use.
- Do not modify the grip or use it in a manner not intended by the manufacturer.
- If you experience any issues with the grip, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Do not use the grip in wet conditions unless you are familiar with its performance in such environments.
- Ensure that your hand is properly positioned on the grip to avoid slippage.
- When using the grip against barricades or other surfaces, make sure the surfaces are stable and secure.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before installation.
- Align the Barricade Grip with the Picatinny rail on your firearm.
- Secure the grip using the provided mounting hardware, ensuring it is tightly fastened.
- Check the stability of the grip by gently pulling on it to ensure it is securely attached.

2. Usage

- Position your hand on the grip, ensuring your fingers are placed naturally for comfort.
- Use the pronounced hand stop at the rear of the grip to maintain a secure hold.
- When bracing the rifle against barricades or surfaces, ensure that the grip is stable and that you have a firm footing.
- Maintain control of the firearm at all times and be aware of your shooting posture.

Disposal Instructions

- Dispose of the Barricade Grip in accordance with local regulations.
- If the grip is damaged or no longer usable, consider recycling the polymer material where facilities exist.
- Do not dispose of the grip in regular household waste if it can be recycled.
