

# ORYX BIPOD Sling Swivel Stud Attachment - Sling Swivel Stud Attachment - BLK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Constructed from a premium polymer blend, the ORYX Bipod legs deliver rigidity, strength, and stability. Effortless deployment and adjustment are second nature, thanks to its seamless one-handed design. Its ergonomic shape feels like a natural extension of your hand. Taking cues from soccer cleats and tire treads, its durable rubber feet ensure reliable traction on all surfaces. The ORYX Bipod: where excellence intersects with affordability and enduring craftsmanship.

# ORYX BIPOD Sling Swivel Stud Attachment Safety Instructions

## Introduction

Thank you for choosing the ORYX BIPOD Sling Swivel Stud Attachment. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read these guidelines carefully to ensure safe and effective use.

## General Safety Guidelines

- Always inspect the bipod before use. Check for any visible damage or wear that may affect performance.
- Ensure that the bipod is securely attached to your firearm before use.
- Do not exceed the weight limit specified by the manufacturer to avoid potential hazards.
- Keep the bipod and its components away from children and pets.
- Use the bipod only for its intended purpose to avoid accidents or injuries.
- If you notice any unusual sounds or instability during use, discontinue use immediately and inspect the product.

## Specific Safety Precautions for Use

- Ensure that the surface where the bipod is deployed is stable and free of obstacles.
- Avoid using the bipod in adverse weather conditions that may affect stability, such as high winds or heavy rain.
- Always maintain proper firearm safety practices while using the bipod.
- Do not modify or alter the bipod in any way, as this can compromise safety and performance.
- If using the bipod with a camera or other equipment, ensure that the additional weight does not exceed the bipod's rated capacity.

## Instructions for Installation and Usage

### 1. Installation

- Locate the sling swivel stud on your firearm.
- Align the bipod attachment with the sling swivel stud.
- Securely fasten the bipod to the sling swivel stud by following the manufacturer's instructions.

### 2. Usage

- Deploy the bipod legs by pulling them down until they lock into place.
- Adjust the height of the bipod as needed for your shooting position.
- Ensure that the bipod feet are firmly planted on the ground for optimal stability.
- When finished, retract the bipod legs by pressing the release buttons and folding them back into the storage position.

## Disposal Instructions

- Dispose of the ORYX BIPOD Sling Swivel Stud Attachment in accordance with local regulations.
- Do not dispose of the bipod in regular household waste. Instead, consider recycling options if available.
- Remove any batteries (if applicable) and dispose of them according to local battery disposal guidelines.

## Contact Information for Further Support

For any safety inquiries or support regarding the ORYX BIPOD Sling Swivel Stud Attachment, please contact the appropriate EUbased support channels.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ORYX BIPOD Sling Swivel Stud Attachment. Thank you for your attention to these guidelines.
