

ORYX BIPOD Sling Swivel Stud Attachment - Sling Swivel Stud Attachment - FDE

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Constructed from a premium polymer blend, the ORYX Bipod legs deliver rigidity, strength, and stability. Effortless deployment and adjustment are second nature, thanks to its seamless one-handed design. Its ergonomic shape feels like a natural extension of your hand. Taking cues from soccer cleats and tire treads, its durable rubber feet ensure reliable traction on all surfaces. The ORYX Bipod: where excellence intersects with affordability and enduring craftsmanship.

ORYX BIPOD Sling Swivel Stud Attachment Safety Instructions

Introduction

Thank you for choosing the ORYX BIPOD Sling Swivel Stud Attachment. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Adhering to these instructions will help you avoid potential hazards and maximize your experience with the ORYX BIPOD.

General Safety Guidelines

- Ensure that the ORYX BIPOD is used only for its intended purpose.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product away from children and vulnerable individuals to prevent accidents.
- Follow local laws and regulations regarding the use of bipods and similar equipment.
- If you have any doubts about the safety of the product, discontinue use immediately and consult the manufacturer.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer.
- Ensure that the bipod is securely attached before use to prevent accidental detachment.
- Avoid using the bipod on unstable or uneven surfaces to reduce the risk of tipping.
- Be cautious when adjusting the bipod height; ensure all locking mechanisms are engaged before use.
- Do not modify or alter the bipod in any way, as this may compromise its safety and performance.

Instructions for Installation and Usage

Installation

1. **Prepare the Sling Swivel Stud:** Ensure the sling swivel stud on your firearm or equipment is clean and free from debris.
2. **Attach the Bipod:**
 - Align the bipod attachment with the sling swivel stud.
 - Push the bipod onto the stud until it clicks into place securely.
3. **Check the Attachment:** Pull gently on the bipod to ensure it is firmly attached and will not detach during use.

Usage

1. **Deploying the Bipod:**
 - Grip the bipod legs and pull them downwards until they fully extend.
 - Ensure the legs are locked in place before placing the bipod on the ground.
2. **Adjusting the Height:**
 - To adjust the height, locate the locking mechanism on each leg.
 - Release the lock, adjust the leg to the desired height, and reengage the lock.
3. **Using the Bipod:**
 - Position the bipod on a stable surface.
 - Ensure the firearm or equipment is securely mounted to the bipod before use.
 - When finished, retract the legs and detach the bipod from the sling swivel stud.

Disposal Instructions

- Dispose of the ORYX BIPOD responsibly in accordance with local waste management regulations.
- If the product is no longer usable, consider recycling the polymer material where facilities exist.

Contact Information for Further Support

For any safety inquiries, concerns, or to report unsafe conditions, please refer to the appropriate contact points provided by the manufacturer. Ensure you have the product details on hand for efficient assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your ORYX BIPOD Sling Swivel Stud Attachment. Thank you for your attention to safety, and enjoy your product!
