

ACC Elite Chassis System Remington 700 LA CIP 3.850 RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Elite ensures that top-tier shooters reach the podium. This is a perfect fusion of design, engineering, and industry expertise. The end result, a competition chassis that outperforms anything to date.

Unmatched balance, recoil control, weight management, and utility, allow elite shooters to shave seconds off stage times and get more rounds on target.

Achieve instinctual point-and-shoot control through perfect balance. Elite shooters will find targets faster and be more precise. The updated forend and buttstock allow for modular weight adjustment and fine-tuning your balance point. Turn your rifle into a finely tuned precision tool.

The MDT ACC Elite creates the perfect rifle/shooter interaction. The MDT SRS-X Elite Buttstock incorporates improved geometry for better fit and recoil management. Our MDT Vertical Grip Elite with Backbar and adjustable M-LOK Thumb Rest adjust to fit with precise comfort. The magwell and latch is adjustable to operate flawlessly with top-tier actions, removing any “slop” from the magwell.

MDT ACC Elite Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT ACC Elite Chassis System for your Remington 700 LA. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the chassis system.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the chassis system and all firearms out of reach of children and unauthorized users.
- Regularly inspect the chassis for signs of wear or damage before each use.
- Do not modify or alter the chassis system in any way that could compromise its safety or performance.
- Use only compatible components and accessories as specified by the manufacturer.
- In case of any malfunction or abnormal operation, cease use immediately and consult a qualified technician.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the MDT ACC Elite Chassis System.
- Ensure the rifle is securely mounted in the chassis before handling or firing.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the chassis system in adverse weather conditions that may affect performance or safety.
- Follow all local laws and regulations regarding firearms and their use.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure you have all necessary tools and components before beginning the installation.
2. **Remove the Action:** Carefully remove the action from the original stock, following the manufacturer's instructions for your specific Remington 700 LA model.
3. **Install the Chassis:**
 - Align the action with the MDT ACC Elite Chassis System.
 - Secure the action in place using the provided screws and tools.
 - Ensure all screws are tightened to the manufacturer's specifications without overtightening.
4. **Adjust the Forend and Buttstock:**
 - Adjust the forend and buttstock for modular weight and balance as per your preference.
 - Ensure all adjustments are securely locked in place.
5. **Attach Accessories:** Install any additional accessories, such as the MDT Vertical Grip Elite and MLOK Thumb Rest, ensuring they are securely attached.

Usage

- Always perform a safety check before firing.
- Practice safe handling and shooting techniques at all times.
- Regularly check for any adjustments needed for optimal performance during use.
- Clean and maintain the chassis system regularly to ensure its longevity and safety.

Disposal Instructions

- When disposing of the MDT ACC Elite Chassis System, follow local regulations regarding hazardous materials and electronic waste.
- Remove any components that can be recycled and dispose of the chassis in accordance with local waste management guidelines.
- Ensure that any firearms are safely stored or disposed of in compliance with local laws.

Contact Information for Further Support

For additional support or inquiries regarding the MDT ACC Elite Chassis System, please refer to the manufacturer's website or contact your local dealer.

By following these guidelines and instructions, you can ensure the safe and effective use of your MDT ACC Elite Chassis System. Thank you for your attention to safety.
