## Screwdriver Set Safety Instructions

### Introduction

Thank you for choosing the Wheeler 65Piece Hex/TORX Screwdriver Set. This comprehensive set is designed to facilitate safe and efficient handling of various screws. To ensure your safety and the longevity of your toolset, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always use the screwdriver set in accordance with the intended purpose.
- Keep the toolset out of reach of children and unauthorized users.
- Regularly inspect the tools for any signs of wear or damage before use.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using tools.
- Do not use the screwdriver set if you are tired or under the influence of drugs or alcohol.
- Ensure your work area is welllit and free from clutter to minimize accidents.

### Specific Safety Precautions for Use

- **Handle with Care:** Use the screwdriver handles properly. Do not apply excessive force that can lead to tool failure.
- **Magnetized Tip:** Be cautious when using the magnetized tip as it can attract metal objects unexpectedly.
- **Bit Change:** Always ensure the screwdriver is not in use when changing bits to prevent accidental injuries.
- **Precision MicroDriver:** Use the 4mm precision microdriver for small screws only. Do not force larger screws into smaller drivers.
- **Storage:** Store the screwdriver set in the provided hardshell case to avoid damage and maintain organization.

### Instructions for Installation and Usage

#### 1. Selecting the Right Bit:

- Choose the appropriate hex or TORX bit based on the screw type.
- Ensure the bit is securely attached to the driver handle.

#### 2. Using the Screwdriver:

- Position the screwdriver bit into the screw head.
- Turn the handle clockwise to tighten or counterclockwise to loosen.
- Apply steady pressure without excessive force to avoid stripping the screw.

#### 3. Changing Bits:

- Remove the current bit by pulling it out of the driver handle.
- Insert the new bit into the handle until it clicks into place.

#### 4. Cleaning After Use:

- Wipe the tools with a clean, dry cloth after use to remove dust and debris.
- Do not use harsh chemicals or solvents that may damage the tool surface.

## **Disposal Instructions**

- Dispose of the screwdriver set responsibly.
- If the tools are damaged beyond repair, check local regulations for proper disposal methods.
- Recycle any metal components where possible.

## **Contact Information for Further Support**

For any safety inquiries or product concerns, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

By adhering to these safety instructions, you can ensure a safe and effective experience with your Wheeler 65Piece Hex/TORX Screwdriver Set. For any further information or safety updates, please stay informed through the EU's Safety Gate platform. Thank you for your attention to safety!
