One standout feature that distinguishes the Field Stock is its aluminum v-block bedding system, which significantly enhances accuracy by providing a stable and secure foundation for your rifle's action. Furthermore, the ingenious free-floating barrel design further elevates precision, instilling the confidence you need to consistently hit your target.

For enthusiasts of long-range shooting, the adjustable buttstock delivers a customizable experience, ensuring your comfort during extended shooting sessions. Bid farewell to discomfort and usher in a new era of shooting performance.

The Field Stock offers extensive configurability, making it suitable for a wide range of shooting disciplines. It comes equipped with sling swivel studs for added convenience, while the M-LOK forend opens up a world of possibilities for personalizing your setup with accessories. Whether you're engaged in hunting, competitive shooting, or simply enjoying leisurely long-range target practice, this stock is your all-encompassing solution.

- Ensure the aluminum vblock bedding system is properly installed to maintain accuracy and safety.
- Do not modify the Field Stock or its components without professional guidance.
- Adjust the buttstock only when the firearm is pointed in a safe direction.
- Use caution when attaching or detaching accessories from the MLOK forend to avoid pinching fingers.
- Always wear appropriate eye and ear protection when using the firearm.
- Be mindful of the weight and balance of the rifle when using the Field Stock, especially during long shooting sessions.

## Instructions for Installation and Usage

### 1. Installation of the Field Stock:

- Ensure the firearm is unloaded.
- Remove the existing stock from the Tikka T3X LA RH rifle.
- Align the action with the aluminum vblock bedding system in the Field Stock.
- Securely attach the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Verify that the action is stable and properly seated before proceeding.

### 2. Adjusting the Buttstock:

- Locate the adjustable buttstock mechanism.
- Adjust the length of pull to fit your shoulder comfortably.
- Ensure the adjustment is locked in place before using the firearm.

### 3. Using the MLOK Forend:

- Identify the MLOK slots on the forend.
- Attach accessories by aligning them with the slots and securing them according to the manufacturer's instructions.
- Ensure all accessories are tightly fastened before use.

#### 4. Sling Swivel Studs:

- Attach a sling to the provided swivel studs for added convenience.
- Ensure the sling is securely fastened to prevent accidental detachment.

## Disposal Instructions

- Dispose of the Field Stock and any components in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of the Field Stock in regular household waste.
