# Safety Instruction Guide for MDT Hunting Bottom Metal

## Introduction

Thank you for choosing the MDT Hunting Bottom Metal for your Remington 700 Badger Profile rifle. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used only as intended and in accordance with the manufacturer's instructions.
- Regularly inspect the bottom metal for any signs of wear or damage before use.
- Store the product in a cool, dry place when not in use to prevent corrosion.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation may result in malfunction or injury.
- Failure to secure the magazine lock can lead to accidental magazine drops.
- Exposure to extreme weather conditions without proper care may cause corrosion.

### • Avoiding Hazards:

- Always ensure that the magazine release lock is engaged before using the rifle.
- Do not attempt to modify or disassemble the bottom metal.
- Avoid using the rifle in wet or corrosive environments without proper maintenance.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools: screwdriver, Allen wrench, and any other required tools as per the rifle specifications.
- Ensure the rifle is unloaded and the safety is engaged.
- Remove the existing bottom metal from the rifle by unscrewing it carefully.
- Align the MDT Hunting Bottom Metal with the mounting points on the rifle.
- Securely fasten the bottom metal using the provided screws, ensuring all connections are tight.
- Test the magazine release lock to confirm it functions correctly.

### 2. Usage:

- Load the magazine according to the manufacturer's instructions.
- Adjust the magazine lock tension control to your preference for optimal performance.
- Regularly check the magazine lock to ensure it remains secure during use.
- Clean the bottom metal with a soft cloth after each use to prevent buildup of dirt and moisture.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if applicable.
- Remove any nonmetal components before disposal to ensure proper recycling.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the MDT Hunting Bottom Metal, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a reliable and enjoyable hunting experience with your MDT Hunting Bottom Metal. Thank you for your attention to safety!
