

# ACC Premier Gen2 System - Rem700 - SA - RH -BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity, and customization, ensuring you have the edge needed to excel in every match.

Features a compact 15" forend, comfortably accommodating barrels starting at 17".

Balancing your competition rifle is important for finding targets quickly and landing follow-up shots. The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available.

# Safety Instruction Guide for the ACC Premier Gen2 System Rem700 SA

## Introduction

Thank you for choosing the ACC Premier Gen2 System Rem700 SA. This guide provides essential safety instructions to ensure the safe use of your product. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Always follow local laws and regulations regarding firearm usage.
- Ensure you are of legal age and have the necessary permits to own and operate firearms.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Use the product only for its intended purpose as outlined in this manual.
- Store the product in a secure location when not in use to prevent unauthorized access.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis system.
- Always wear appropriate eye and ear protection when using the rifle.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point the rifle at anything you do not intend to shoot.
- Use caution when adjusting the chassis system to avoid pinching fingers or causing injury.
- Do not modify the chassis system in any way that could affect its performance or safety.
- Always check the compatibility of the chassis system with your specific rifle model.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation

- Ensure the rifle is unloaded and the area is clear of any obstructions.
- Gather all necessary tools as specified in the product manual.

#### 2. Attaching the Chassis

- Align the chassis system with the rifle's action.
- Securely fasten the chassis to the rifle using the provided screws and tools.
- Ensure all screws are tightened to the recommended torque specifications.

#### 3. Adjusting the Chassis

- Adjust the length of pull, cheek weld, and hand position to fit your comfort.
- Make sure all adjustments are securely locked in place.

#### 4. Final Inspection

- Inspect the installation to ensure everything is secure and functioning correctly.
- Perform a safety check to ensure the rifle is ready for use.

## **Usage Instructions**

- Always follow safe firearm handling practices.
- Familiarize yourself with the controls and features of the chassis system before use.
- Maintain a proper shooting stance and grip for stability and accuracy.
- Regularly clean and maintain the chassis system to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen2 System Rem700 SA, please reach out to your local dealer or manufacturer support. Ensure that you have your product information available for reference.

By following these safety guidelines and instructions, you can enjoy the benefits of your ACC Premier Gen2 System Rem700 SA while ensuring a safe and responsible shooting experience. Thank you for your attention to safety.
