

ACC Premier Gen2 System - Rem700 - SA - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity, and customization, ensuring you have the edge needed to excel in every match.

Features a compact 15" forend, comfortably accommodating barrels starting at 17".

Balancing your competition rifle is important for finding targets quickly and landing follow-up shots. The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available.

Safety Instruction Guide for the ACC Premier Gen2 System Rem700 SA

Introduction

Thank you for choosing the ACC Premier Gen2 System for your Remington 700 rifle. This product is designed to enhance your competitive shooting experience by providing superior precision, stability, and customization. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the area around you is clear of people and obstacles before firing.
- Store your firearm securely when not in use.
- Always wear appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and accessories for damage or wear.
- Familiarize yourself with local laws and regulations regarding firearm usage.

Specific Safety Precautions for Use

- The ACC Premier Gen2 System is designed for use with the Remington 700 rifle. Do not attempt to use it with other models.
- Ensure that the forend is securely attached before use to prevent any accidents.
- Adjust the length of pull, cheek weld, and hand position only when the firearm is not loaded.
- Be aware of the weight adjustments you make to maintain proper balance and control of the rifle.
- Use only compatible accessories and modifications to avoid compromising safety and performance.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing stock from your Remington 700 rifle.
- Align the ACC Premier Gen2 System with the action of the rifle.
- Securely attach the chassis to the rifle using the provided screws and tools.
- Check that all connections are tight and that the chassis is stable.

2. Usage:

- Adjust the forend and weight to achieve your desired balance.
- Set the length of pull and cheek weld according to your comfort and shooting style.
- Regularly check the adjustments to ensure they remain secure during use.
- Practice shooting in a safe environment to familiarize yourself with the chassis system.

Disposal Instructions

- Dispose of the ACC Premier Gen2 System in accordance with local regulations regarding electronic and metal waste.
- If the product is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen2 System, please refer to the manufacturer's website or contact customer support directly. Ensure you have your product information ready for efficient assistance.

Conclusion

Your safety is paramount. By following these guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your ACC Premier Gen2 System. Always remain vigilant and responsible while handling firearms.
