# Tripod Binocular Holder (Gen2) Safety Instruction Guide

## Introduction

Thank you for choosing the Tripod Binocular Holder (Gen2) by German Tactical Systems. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the binocular holder.

## General Safety Guidelines

To ensure your safety and the safety of others while using the Tripod Binocular Holder (Gen2), please adhere to the following guidelines:

- Always inspect the product for any damage before use. Do not use if damaged.
- Keep the binocular holder out of reach of children to prevent accidents.
- Use the product only for its intended purpose - as a holder for binoculars.
- Avoid using the holder in extreme weather conditions that may affect its performance.
- Do not overload the holder beyond its specified weight limit.
- Ensure that the holder is securely mounted before use to prevent accidents.

## Specific Safety Precautions for Use

- When attaching binoculars to the holder, ensure they are securely fastened to prevent them from falling.
- Be cautious when adjusting the holder's position to avoid pinching fingers or causing injury.
- Use the holder on stable and level surfaces to prevent tipping or instability.
- Avoid using the holder near water or in wet conditions to prevent slipping or electrical hazards if using electronic binoculars.
- If using in a crowded area, be mindful of your surroundings to avoid causing injury to yourself or others.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the Tripod Binocular Holder (Gen2) from its packaging.
- Check that all components are included and in good condition.
- Attach the Arcastyle base plate to your tripod by aligning it with the tripod mount and securing it tightly.
- If necessary, use the 1/4" threaded hole to attach to other compatible mounts.

### 2. Using the Holder:

- Place your binoculars onto the holder, ensuring they are properly aligned.
- Secure the binoculars using the provided fastening mechanism, ensuring they are tightly held in place.
- Adjust the holder to your preferred viewing angle.
- Make sure the holder is stable and secure before beginning your glassing session.

### 3. PostUse:

- After use, detach the binoculars from the holder and store them safely.
- Remove the holder from the tripod if not in use, and store it in a dry, safe location.

## Disposal Instructions

When the Tripod Binocular Holder (Gen2) has reached the end of its life cycle or is no longer usable, please dispose of it responsibly:

- Check local regulations for disposal of nonelectronic products.
- If applicable, recycle the product according to local recycling guidelines.
- Do not dispose of the product in household waste.

## Contact Information for Further Support

For any safety inquiries or support regarding the Tripod Binocular Holder (Gen2), please contact the manufacturer directly through the provided contact channels.

## Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Tripod Binocular Holder (Gen2). Thank you for your attention to safety, and enjoy your outdoor adventures!
