MDT MV3 Horizontal Picatinny Mount Safety Instruction Guide

Introduction

Thank you for choosing the MDT MV3 Horizontal Picatinny Mount. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the mount is compatible with your picatinny rail before installation.
- Always check for any visible damage to the mount and accessories before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Do not exceed the recommended load limits for the mount.
- Regularly inspect the mount for wear and tear, and replace if necessary.
- In case of any malfunction, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- **Mounting Position:** Ensure the mount is securely attached to either the left or right side of the picatinny rail.
- **Clearance Requirement:** Maintain a minimum clearance of 0.3 inches between the scope and the top of the picatinny rail to avoid interference.
- **Level and Timer:** When mounting the level and timer, ensure they are securely fastened to avoid accidental dislodgement during use.
- **Environmental Conditions:** Avoid using the mount in extreme weather conditions that could affect its performance.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools, including an 832 screw and a screwdriver.
- Identify the desired location on your picatinny rail for mounting the MDT MV3 Horizontal Picatinny Mount.
- Align the mount with the rail and ensure it is positioned correctly for your intended use (left or right side).
- Insert the 832 screw into the designated hole and tighten securely using the screwdriver. Do not overtighten.
- Verify that the mount is securely attached by gently pulling on it.

2. Usage Instructions:

- Once installed, attach your level and timer according to the manufacturer's instructions.
- Regularly check the tightness of the mount and attached devices to ensure they remain secure during use.
- Follow all manufacturer guidelines for the devices mounted to ensure proper operation.

Disposal Instructions

- Dispose of the MDT MV3 Horizontal Picatinny Mount in accordance with local regulations regarding electronic waste and materials.

- Do not dispose of the product in household waste. Seek out designated recycling facilities for proper disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT MV3 Horizontal Picatinny Mount, please contact the manufacturer directly. Ensure to have your product details and any relevant information ready for a more efficient response.

Thank you for your attention to these safety instructions. We hope you enjoy using your MDT MV3 Horizontal Picatinny Mount safely and effectively.
