

# ACC Premier Gen 2 System - Tikka - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

AVAILABLE

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available. Upgrade your rifle with ease and hit the range in no time. Simply drop your action into place and tighten two screws. No need for complicated gunsmithing.

# Safety Instruction Guide for ACC Premier Gen 2 System Tikka SA

## Introduction

Thank you for choosing the ACC Premier Gen 2 System for your shooting needs. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your rifle.
- Keep the rifle pointed in a safe direction at all times.
- Store your rifle and ammunition separately and securely.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure the shooting area is clear of people and obstacles.
- Follow all local laws and regulations regarding firearm usage.

## Specific Safety Precautions for Use

When using the ACC Premier Gen 2 System, please observe the following precautions:

- Ensure that the rifle is unloaded before installation or maintenance.
- Check for any visible damage or wear on the chassis system before use.
- Do not exceed the recommended barrel length of 17 inches for optimal performance.
- Be cautious when adjusting hand position, cheek weld, and length of pull to avoid pinching or injury.
- Use only compatible accessories designed for the ACC Premier Gen 2 System to avoid malfunction.
- Regularly inspect the chassis for any loose screws or components, tightening them as necessary.
- If you notice any unusual sounds or behavior during use, cease operation immediately and inspect the system.

## Instructions for Installation and Usage

Follow these steps to install and use the ACC Premier Gen 2 System safely:

### 1. Installation:

- Ensure the rifle is unloaded and the action is open.
- Carefully place your action into the chassis.
- Align the action properly within the chassis.
- Tighten the two screws securely to hold the action in place.
- Check that the action is firmly seated and does not move.

### 2. Usage:

- Adjust the forend, hand position, and cheek weld to your comfort.
- Ensure that the bipod or tripod is securely attached to the integrated ARCA rail.
- Perform a final check to ensure all components are secure before firing.
- Always be aware of your shooting environment and follow safe shooting practices.

## **Disposal Instructions**

When disposing of the ACC Premier Gen 2 System or any related components, please follow these guidelines:

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling components where possible.
- Contact local waste management authorities for proper disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the ACC Premier Gen 2 System, please reach out to the appropriate support channels. Ensure you have your product information ready for reference.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System. Thank you for your attention to safety, and happy shooting!
