

ACC Premier Gen 2 System - Tikka - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

Safety Instruction Guide for ACC Premier Gen 2 System Tikka SA

Introduction

Thank you for choosing the ACC Premier Gen 2 System Tikka SA. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Ensure that you are familiar with the operation of the rifle and the chassis system before use.
- Always handle firearms with care, treating every firearm as if it is loaded.
- Store the ACC Premier Gen 2 System in a secure location, out of reach of children and unauthorized users.
- Use only compatible components and accessories to avoid malfunctions.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Follow local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Do not modify the chassis system or any of its components.
- Ensure that the shooting area is clear of people and obstacles.
- Be aware of your surroundings and ensure that the backstop is safe.
- Do not attempt to shoot if you are under the influence of drugs or alcohol.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Carefully remove the ACC Premier Gen 2 System from its packaging.
- Place your action into the chassis system, ensuring proper alignment.
- Tighten the two screws securely to hold the action in place. No additional gunsmithing is required.
- Verify that the action is firmly secured before proceeding to use.

2. Usage

- Adjust the hand position, cheek weld, and length of pull for a comfortable shooting experience.
- Ensure that the forend is clear of any obstructions before shooting.
- Utilize the integrated ARCA rail for mounting bipods or tripods to enhance stability.
- After use, ensure the firearm is unloaded and stored safely.

Disposal Instructions

- Dispose of the ACC Premier Gen 2 System in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product. Always ensure you have access to support for any questions or concerns regarding the use of your ACC Premier Gen 2 System.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the ACC Premier Gen 2 System Tikka SA, and always prioritize safety.
