

ACC Premier Gen 2 System - Tikka - SA - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

Safety Instruction Guide for ACC Premier Gen 2 System Tikka SA

Introduction

Thank you for purchasing the ACC Premier Gen 2 System Tikka SA. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before using the system.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always handle firearms with care and respect.
- Ensure that your shooting environment is safe and appropriate for shooting activities.
- Keep the ACC Premier Gen 2 System out of reach of children and unauthorized users.
- Regularly inspect your equipment for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of firearms and shooting equipment.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the ACC Premier Gen 2 System, please observe the following safety precautions:

- Ensure the rifle is unloaded before installation or adjustment.
- Do not modify the chassis system in any way that may compromise its integrity.
- Always use the system in accordance with the manufacturer's instructions.
- Avoid placing your fingers on the trigger until you are ready to shoot.
- Use appropriate personal protective equipment (PPE), such as eye and ear protection, while shooting.
- Be aware of your surroundings and ensure that there are no bystanders in the line of fire.
- If you are new to shooting, seek guidance from a qualified instructor.

Instructions for Installation and Usage

Follow these steps for the correct installation and usage of the ACC Premier Gen 2 System:

1. Installation:

- Ensure that the rifle action is clear of any ammunition and is in a safe condition.
- Place the rifle action into the ACC Premier Gen 2 chassis.
- Align the action with the mounting points provided in the chassis.
- Tighten the two screws securely to ensure the action is held firmly in place.
- Verify that the forend is properly attached and that there is no movement.

2. Usage:

- Adjust the hand position, cheek weld, and length of pull to fit your comfort.
- Ensure that the bipod or tripod is securely mounted to the fulllength integrated ARCA rail.
- Conduct a function check to ensure that the rifle operates smoothly within the chassis.
- Use the system in a stable shooting position, utilizing barricades or other props as needed.

Disposal Instructions

When disposing of the ACC Premier Gen 2 System, please follow these guidelines:

- Do not dispose of the chassis in regular household waste.
- Check with local authorities for proper disposal methods for aluminum and other materials.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's customer service resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System Tikka SA. Thank you for your attention to these important safety guidelines.
