Safety Instructions for the Caldwell Ballistic Precision Chronograph with Bluetooth

Introduction

Thank you for choosing the Caldwell Ballistic Precision Chronograph with Bluetooth. This device is designed to provide accurate velocity measurements for various applications, including load testing, archery, and paintball. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This chronograph is intended for use as a velocity measurement tool. Ensure that it is used in accordance with these guidelines to prevent accidents or injuries.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please follow the instructions provided for returning or remedying the product.
- **Online Shopping:** If purchased online, the product must meet the same safety requirements as those sold in physical stores. Ensure that you buy from reputable sellers.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please ensure you have access to the manufacturer's contact information.
- **Rapid Alerts:** Stay informed about product safety by checking for updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Direct Exposure:** Do not point the chronograph directly at any person or animal during use. Always ensure a safe distance.
- **Electrical Safety:** The device operates on batteries. Ensure that you use the correct type of batteries and replace them according to the manufacturer's instructions.
- **Environmental Conditions:** Use the chronograph in appropriate environmental conditions. Avoid extreme temperatures, humidity, or wet conditions that may affect its performance.
- **Handling:** Handle the chronograph with care. Avoid dropping or striking it against hard surfaces, as this may damage the device.
- **Bluetooth Connectivity:** Ensure that your smartphone or device is compatible with the Caldwell app for data capture. Follow the app's instructions for safe use.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the chronograph and all included accessories from the packaging. Check for any visible damage.
2. **Battery Installation:**
 - Open the battery compartment.
 - Insert the batteries, ensuring correct polarity as indicated in the compartment.
 - Close the battery compartment securely.
3. **Setting Up the Device:**
 - Place the chronograph on a stable, level surface.
 - Ensure the device is positioned away from obstructions that may interfere with measurement.
4. **Connecting via Bluetooth:**
 - Download the Caldwell app from your device's app store.
 - Enable Bluetooth on your smartphone or device.
 - Follow the app's instructions to pair with the chronograph.
5. **Measuring Velocity:**

- Prepare your projectile (arrow, paintball, etc.) for testing.
- Activate the chronograph by following the app's instructions.
- Ensure that the projectile passes through the device's sensors for accurate measurement.

6. Recording Data:

- Use the Caldwell app to capture and record the velocity data and environmental conditions.
- Review the data for accuracy and save it as needed.

Disposal Instructions

- **Battery Disposal:** Dispose of used batteries according to local regulations. Do not throw batteries in household waste.
- **Device Disposal:** When the chronograph reaches the end of its life, dispose of it in accordance with local electronic waste regulations. Do not dispose of it in regular trash.

Contact Information for Further Support

For any questions regarding safety, usage, or troubleshooting, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

By following these safety instructions, you can ensure a safe and effective experience with your Caldwell Ballistic Precision Chronograph with Bluetooth. Thank you for your attention to these guidelines, and enjoy your measurements!
