

MEPRO HYPER-BRIGHT V-SIGHT FIXED SETS - MEPRO HYPER-BRIGHT V-SIGHT SIG 9MM/.357SIG P-SERIES DOVETAILED, #8/#8 - O RING

**So bright it makes both eyes dominant.
A total eclipse of conventional brightness.**

It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature a unique "V" shape rear sight for extremely fast and intuitive target acquisition together with an extremely bright orange colored ring front sight, delivering maximum visibility as a night sight or day-night sight. Placing the front sight between the "shoulders" of the rear "V" shape lines helps shooters gain an immediate sight picture of the target in all lighting conditions. In addition, you can count on the Hyper-Bright™ "V" shape sights to ensure you are on Target Every Time.

HYPER-BRIGHT CONCEPT: Mepro Hyper-Bright V-sights offer the most reliable illumination for day or night shooting. Mepro Hyper-Bright V sights feature an extremely bright contrasting colored ring on the front sight and V-shaped rear sight with two tritium vials and Yellow colored dot with radiant color that is charged by light and keeps glowing in lowlight conditions for a short time in conjunction with the tritium for fast and intuitive target acquisition.

ALWAYS ON: Tritium powered, No batteries, no switches – always on, always ready 24/7/365. Premium grade green Tritium vials in the front and rear allow for low light and nighttime conditions. Maintenance-free can be mounted directly with no weapon modifications.

HIGH DURABILITY: The MEPRO HYPER-BRIGHT V-sights are drop- and shockproof, built for endless rounds under heavy recoil, made of steel, and an excellent upgrade sight to your pistol. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. Trusted by law enforcement and military personnel, these sights are reliable in any weather conditions.

MEPRO HYPERBRIGHT VSIGHT FIXED SETS Safety Instructions

Introduction

Thank you for choosing the MEPRO HYPERBRIGHT VSIGHT FIXED SETS. This guide provides essential safety instructions to ensure the safe and effective use of your new sighting system. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the firearm and sight with care to prevent accidents.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- If you notice any defects or malfunctions, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Eye Safety:** Always ensure that you are wearing appropriate eye protection when using firearms equipped with the MEPRO HYPERBRIGHT VSIGHT.
- **Environmental Conditions:** Avoid using the sight in extreme weather conditions that could impair visibility or functionality.
- **Maintenance:** Do not attempt to disassemble the sight. It is maintenancefree and designed for durability.
- **Compatibility:** Ensure that the sight is compatible with your firearm model (SIG P Series) before installation.
- **Shooting Range Protocols:** Follow all safety protocols and regulations established by your shooting range or local laws.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sight from your firearm, following the manufacturer's guidelines.
- Align the MEPRO HYPERBRIGHT VSIGHT with the dovetail mount on your firearm.
- Secure the sight in place using the appropriate tools, ensuring it is tightly fitted.

2. Usage:

- When aiming, position the front sight within the "shoulders" of the rear "V" shape.
- The bright orange front sight ring will assist in quick target acquisition in various lighting conditions.
- Practice using the sight in both daylight and lowlight conditions to become familiar with its capabilities.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and hazardous materials.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For further support or inquiries regarding the MEPRO HYPERBRIGHT VSIGHT FIXED SETS, please refer to the manufacturer's website or customer service channels.

Thank you for choosing the MEPRO HYPERBRIGHT VSIGHT. Your safety is our priority, and we hope this guide helps you enjoy the full benefits of your new sighting system.
