

# MEPRO HYPER-BRIGHT V-SIGHT FIXED SETS - MEPRO HYPER-BRIGHT V-SIGHT S&W M&P (NON-OR), SD/SDVE - O RING

**So bright it makes both eyes dominant.  
A total eclipse of conventional brightness.**

It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature a unique "V" shape rear sight for extremely fast and intuitive target acquisition together with an extremely bright orange colored ring front sight, delivering maximum visibility as a night sight or day-night sight. Placing the front sight between the "shoulders" of the rear "V" shape lines helps shooters gain an immediate sight picture of the target in all lighting conditions. In addition, you can count on the Hyper-Bright™ "V" shape sights to ensure you are on Target Every Time.

**HYPER-BRIGHT CONCEPT:** Mepro Hyper-Bright V-sights offer the most reliable illumination for day or night shooting. Mepro Hyper-Bright V sights feature an extremely bright contrasting colored ring on the front sight and V-shaped rear sight with two tritium vials and Yellow colored dot with radiant color that is charged by light and keeps glowing in lowlight conditions for a short time in conjunction with the tritium for fast and intuitive target acquisition.

**ALWAYS ON:** Tritium powered, No batteries, no switches – always on, always ready 24/7/365. Premium grade green Tritium vials in the front and rear allow for low light and nighttime conditions. Maintenance-free can be mounted directly with no weapon modifications.

**HIGH DURABILITY:** The MEPRO HYPER-BRIGHT V-sights are drop- and shockproof, built for endless rounds under heavy recoil, made of steel, and an excellent upgrade sight to your pistol. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. Trusted by law enforcement and military personnel, these sights are reliable in any weather conditions.

# MEPRO HYPERBRIGHT VSIGHT FIXED SETS Safety Instruction Guide

## Introduction

Welcome to your MEPRO HYPERBRIGHT VSIGHT FIXED SETS. This guide provides essential safety instructions to ensure the safe and effective use of your product. It complies with the EU General Product Safety Regulation (GPSR), ensuring your safety and satisfaction.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of the MEPRO HYPERBRIGHT VSIGHT by following all instructions and safety precautions outlined in this guide.
- **Enhanced Recalls:** Stay informed about product recalls through official channels and ensure you follow the necessary steps if a recall occurs.
- **Online Shopping:** If purchased online, ensure that your retailer meets the same safety standards as physical stores.
- **Special Consumer Focus:** Extra care should be taken if the product is used by children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the EU contact point designated for this product.
- **Rapid Alerts:** Be aware of updates on unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Always Check for Damage:** Before use, inspect the sights for any visible damage or defects. Do not use if damaged.
- **Proper Handling:** Handle the sights with care to avoid dropping or impacting them, which could compromise their integrity.
- **Avoid Modifications:** Do not modify the sights in any way, as this may affect their performance and safety.
- **Storage:** Store the sights in a cool, dry place away from extreme temperatures and humidity to maintain their functionality.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may affect the materials used in the sights.
- **Use as Intended:** The sights are designed for use with specific firearms. Ensure compatibility with your firearm model before installation.

## Instructions for Installation and Usage

### Installation

- **Step 1:** Ensure that your firearm is unloaded and pointed in a safe direction.
- **Step 2:** Remove the existing sights according to your firearm's manual.
- **Step 3:** Align the MEPRO HYPERBRIGHT VSIGHT with the sight dovetail on your firearm.
- **Step 4:** Secure the sights using the appropriate tools, ensuring they are firmly in place.
- **Step 5:** Doublecheck the alignment and security of the sights before use.

### Usage

- **Sight Picture:** When aiming, place the front sight between the "shoulders" of the rear "V" shape lines for optimal target acquisition.
- **Lighting Conditions:** The sights are designed to perform in both day and night conditions. Ensure that you are familiar with their operation in various lighting.
- **Regular Checks:** Periodically check the sights for any signs of wear or damage, especially after

extensive use.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If applicable, recycle any metal components through appropriate recycling channels to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding your MEPRO HYPERBRIGHT VSIGHT, please refer to the manufacturer's contact information provided at the time of purchase. Ensure to follow all guidelines for safe use and maintenance.

Thank you for choosing the MEPRO HYPERBRIGHT VSIGHT FIXED SETS. By following these safety instructions, you can ensure a safe and enjoyable experience with your product.
