

MEPRO HYPER-BRIGHT V-SIGHT FIXED SETS - MEPRO HYPER-BRIGHT V-SIGHT S&W M&P SHIELD (NON-EZ MODELS) - O RING

**So bright it makes both eyes dominant.
A total eclipse of conventional brightness.**

It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature a unique "V" shape rear sight for extremely fast and intuitive target acquisition together with an extremely bright orange colored ring front sight, delivering maximum visibility as a night sight or day-night sight. Placing the front sight between the "shoulders" of the rear "V" shape lines helps shooters gain an immediate sight picture of the target in all lighting conditions. In addition, you can count on the Hyper-Bright™ "V" shape sights to ensure you are on Target Every Time.

HYPER-BRIGHT CONCEPT: Mepro Hyper-Bright V-sights offer the most reliable illumination for day or night shooting. Mepro Hyper-Bright V sights feature an extremely bright contrasting colored ring on the front sight and V-shaped rear sight with two tritium vials and Yellow colored dot with radiant color that is charged by light and keeps glowing in lowlight conditions for a short time in conjunction with the tritium for fast and intuitive target acquisition.

ALWAYS ON: Tritium powered, No batteries, no switches – always on, always ready 24/7/365. Premium grade green Tritium vials in the front and rear allow for low light and nighttime conditions. Maintenance-free can be mounted directly with no weapon modifications.

HIGH DURABILITY: The MEPRO HYPER-BRIGHT V-sights are drop- and shockproof, built for endless rounds under heavy recoil, made of steel, and an excellent upgrade sight to your pistol. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. Trusted by law enforcement and military personnel, these sights are reliable in any weather conditions.

MEPRO HYPERBRIGHT VSIGHT FIXED SETS Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO HYPERBRIGHT VSIGHT FIXED SETS for your shooting needs. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before using the sights.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MEPRO HYPERBRIGHT VSIGHT by following all provided instructions. The product is designed to comply with EU safety standards.
- **Enhanced Recalls:** Stay informed about any recall notices regarding the product. In case of a recall, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchased online, ensure the retailer complies with safety requirements. Verify that the product is genuine and meets EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact information available on the packaging or product documentation.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the sights with care. Avoid dropping or subjecting them to unnecessary force, as this may affect their performance.
- **Installation:** Ensure proper installation according to the provided instructions to avoid any operational issues.
- **Environmental Conditions:** Avoid using the sights in extreme weather conditions (e.g., heavy rain, snow, or high humidity) that may affect visibility or functionality.
- **Regular Inspection:** Periodically inspect the sights for any signs of damage or wear. If any issues are detected, discontinue use and consult a professional.
- **Shooting Practices:** Always follow safe shooting practices when using the sights. Ensure that you are familiar with your firearm and its operation.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights from the firearm, if applicable.
- Align the MEPRO HYPERBRIGHT VSIGHT with the mounting area on your firearm.
- Securely fasten the sights according to the manufacturer's instructions. Ensure that they are firmly in place before use.

2. Usage:

- When aiming, position the front sight within the "shoulders" of the rear "V" shape lines for optimal target acquisition.
- The bright orange colored ring on the front sight enhances visibility, making it easier to aim in various lighting conditions.
- Practice using the sights in both day and night conditions to become familiar with their

performance.

Disposal Instructions

- **Disposal of Product:** When the product reaches the end of its life cycle, dispose of it in accordance with local regulations regarding electronic and metal waste.
- **Environmental Responsibility:** Do not dispose of the sights in regular household waste. Check with local authorities for proper disposal methods to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO HYPERBRIGHT VSIGHT, please refer to the manufacturer's contact information included with your product packaging or documentation.

By following these guidelines, you can ensure the safe and effective use of your MEPRO HYPERBRIGHT VSIGHT FIXED SETS. Always prioritize safety and proper handling to enhance your shooting experience.
