

# MEPRO HYPER-BRIGHT V-SIGHT FIXED SETS - MEPRO HYPER-BRIGHT V-SIGHT CZ 75/82/83/85/97/SP-01, #5 REAR - O RING

**So bright it makes both eyes dominant.  
A total eclipse of conventional brightness.**

It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature a unique "V" shape rear sight for extremely fast and intuitive target acquisition together with an extremely bright orange colored ring front sight, delivering maximum visibility as a night sight or day-night sight. Placing the front sight between the "shoulders" of the rear "V" shape lines helps shooters gain an immediate sight picture of the target in all lighting conditions. In addition, you can count on the Hyper-Bright™ "V" shape sights to ensure you are on Target Every Time.

**HYPER-BRIGHT CONCEPT:** Mepro Hyper-Bright V-sights offer the most reliable illumination for day or night shooting. Mepro Hyper-Bright V sights feature an extremely bright contrasting colored ring on the front sight and V-shaped rear sight with two tritium vials and Yellow colored dot with radiant color that is charged by light and keeps glowing in lowlight conditions for a short time in conjunction with the tritium for fast and intuitive target acquisition.

**ALWAYS ON:** Tritium powered, No batteries, no switches - always on, always ready 24/7/365. Premium grade green Tritium vials in the front and rear allow for low light and nighttime conditions. Maintenance-free can be mounted directly with no weapon modifications.

**HIGH DURABILITY:** The MEPRO HYPER-BRIGHT V-sights are drop- and shockproof, built for endless rounds under heavy recoil, made of steel, and an excellent upgrade sight to your pistol. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. Trusted by law enforcement and military personnel, these sights are reliable in any weather conditions.

# Safety Instruction Guide for MEPRO HYPERBRIGHT VSIGHT FIXED SETS

## Introduction

Thank you for choosing the MEPRO HYPERBRIGHT VSIGHT FIXED SETS. This product is designed to enhance your shooting experience by providing superior visibility in various lighting conditions. It is essential to follow safety guidelines to ensure safe and effective use. This guide outlines important safety instructions, precautions, and information for proper installation and usage of your new sights.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use appropriate eye and ear protection when shooting.
- Familiarize yourself with the local laws and regulations regarding firearm use and ownership.
- Ensure that the MEPRO HYPERBRIGHT VSIGHT is properly mounted and secured before use.
- Regularly inspect your sights for any signs of damage or wear.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Tritium Safety:** The sights contain tritium, a radioactive material. While it is safe under normal use, do not attempt to disassemble the sights. If the sights are damaged, contact a professional for disposal.
- Age Restrictions:** These sights are intended for use by individuals who are of legal age to possess firearms. Ensure that minors are supervised by a responsible adult when handling firearms equipped with these sights.
- Environmental Considerations:** Avoid exposing the sights to extreme temperatures, moisture, or corrosive substances which may affect their performance.

## Instructions for Installation and Usage

### Installation

- Read the Manual:** Before installation, read the firearm's manual to understand the mounting process.
- Prepare the Firearm:** Ensure the firearm is unloaded and the chamber is clear.
- Mounting the Sights:**
  - Remove the existing sights from the firearm using appropriate tools.
  - Align the MEPRO HYPERBRIGHT VSIGHT with the mounting grooves on the firearm.
  - Secure the sights in place using the provided screws or mounting hardware.
  - Ensure the sights are firmly attached and do not move.

### Usage

- Sight Alignment:** When aiming, place the front sight between the "shoulders" of the rear "V" shape to achieve a clear sight picture.
- Target Acquisition:** The unique design allows for rapid target acquisition in various lighting conditions.
- Maintenance:** The sights are maintenancefree, but regular visual inspections are recommended to ensure functionality.

## **Disposal Instructions**

- If the sights become damaged or you wish to dispose of them, do not throw them in regular trash.
- Contact your local waste management authority for guidance on the proper disposal of tritium-containing products.
- Always handle damaged sights with care and seek professional assistance for safe disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the MEPRO HYPERBRIGHT VSIGHT FIXED SETS, please contact the manufacturer or your local dealer for assistance. Ensure you have your product information available for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MEPRO HYPERBRIGHT VSIGHT FIXED SETS. Thank you for prioritizing safety in your shooting activities.
