

Chassis - Field Stock - Tikka T1X - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Get more accuracy out of your factory rifle by upgrading with the Field Stock. The traditionally shaped polymer stock provides comfort and warmth in cold weather. Improve accuracy with the aluminum v-block bedding and a free-floating barrel. The adjustable buttstock allows you to be more comfortable for long-range shots.

The Field Stock is configurable for any shooting discipline. In addition to the included sling swivel studs, the M-LOK forend enables you to customize accessories for hunting, competition, or casual long-range shooting.

Our integrated aluminum core incorporates V-Block bedding giving you a solid connection for your rifle while free floating your barrel. This allows your rifle to be more accurate shot after shot and not be affected by temperature or humidity. It's ready for any hunt or day at the range, no matter the weather.

MDT Chassis Field Stock Tikka T1X Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis Field Stock for your Tikka T1X rifle. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Ensure that you are in a safe environment when using your rifle, away from people and animals.
- Use eye and ear protection when shooting.
- Regularly inspect your rifle and chassis for any signs of wear or damage.
- Store your rifle and chassis securely, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the MDT Chassis is compatible with your Tikka T1X before installation.
- Do not exceed the manufacturer's specifications for ammunition and accessories.
- Be cautious of the rifle's weight distribution when using the adjustable buttstock.
- Avoid using the rifle in extreme weather conditions without proper precautions.
- Always check the stability of the rifle when using the freefloating barrel feature.
- Do not modify the chassis or stock beyond the manufacturer's recommendations.

Instructions for Installation and Usage

1. Installation

- Carefully remove the MDT Chassis from its packaging.
- Verify that all components are included and undamaged.
- Follow the manufacturer's instructions for attaching the chassis to your Tikka T1X rifle.
- Ensure that the aluminum vblock bedding is properly aligned for optimal accuracy.
- Tighten all screws and fittings securely but do not overtighten.

2. Usage

- Adjust the buttstock to your preferred length for comfort during shooting.
- Attach any desired accessories to the MLOK forend as needed for your shooting discipline.
- Regularly check that all accessories are securely fastened before use.
- Clean and maintain the chassis according to the manufacturer's guidelines to ensure longevity and performance.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- If the chassis or any components are damaged beyond repair, dispose of them responsibly, ensuring that they do not pose a hazard to the environment or public safety.
- For any electronic components, follow local electronic waste disposal regulations.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of your MDT Chassis Field Stock Tikka T1X, please reach out to your retailer or the manufacturer directly. They can provide you with additional support and information.

Thank you for prioritizing safety and responsible use with your MDT Chassis. Enjoy your shooting experience!
