

# Full Length Die 1 1/4 - Full Length Die 7mm PRC

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Full Length Die 1 1/4 Full Length Die 7mm PRC Safety Instruction Guide

## Introduction

Thank you for choosing the Full Length Die 1 1/4 Full Length Die 7mm PRC. This guide provides essential safety instructions, installation guidance, and usage tips to ensure your safety and the proper functioning of the product. Please read this manual carefully before using the die.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the die is used only for its intended purpose.
- Keep the die and all related components out of reach of children and vulnerable individuals.
- Inspect the die and its components regularly for signs of wear or damage.
- If you encounter any issues or have safety concerns, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The die is designed for resizing cartridge cases and requires careful handling.
  - Potential hazards include sharp edges and moving parts.
- **Avoiding Hazards:**
  - Always wear appropriate safety gear, such as safety glasses and gloves, when handling the die.
  - Ensure that the work area is clean and free from clutter to prevent accidents.
  - Do not force the cartridge case into the die; if resistance is encountered, stop and assess the situation.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

- **Installation:**
  1. Secure the die in the reloading press using the provided lock nut.
  2. Ensure the die is positioned correctly to avoid misalignment during use.
- **Usage:**
  1. Insert the cartridge case into the die.
  2. Push the cartridge case into the die to initiate the sizing process.
  3. The expander and ejector pin will assist in the resizing and removal of the case from the die.
  4. Check the neck tension of the resized case to ensure it meets your specifications.
  5. If necessary, replace the expander or ejector pin using minimal effort as they are designed for easy replacement.
- **Calibration:**
  - The die calibrates the neck of the case from the inside as it is moved out of the die. Ensure proper calibration for optimal performance.

## **Disposal Instructions**

- Dispose of the die and any damaged components responsibly.
- Follow local regulations for disposal of metal and plastic materials.
- If the die is no longer usable, consider recycling it if possible.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the Full Length Die 1 1/4 Full Length Die 7mm PRC, please refer to the manufacturer's contact details provided in the product packaging or manual.

## **Conclusion**

By following the safety guidelines and instructions outlined in this manual, you can ensure the safe and effective use of the Full Length Die 1 1/4 Full Length Die 7mm PRC. Always prioritize safety and seek assistance if needed. Thank you for your attention.
