

Seater with Crimp 1 1/4 - Seater with Crimp 7mm Blaser Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for Seater with Crimp 1 1/4 Seater with Crimp 7mm Blaser Mag

Introduction

Thank you for choosing the Seater with Crimp 1 1/4 Seater with Crimp 7mm Blaser Mag. This guide provides essential safety instructions and operational guidelines to ensure the safe and effective use of your product. Please read this manual carefully before using the product.

General Safety Guidelines

- Always ensure that you are using the product in a safe environment, free from distractions.
- Use the product only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper handling can lead to injury.
- Using the wrong seater head may affect accuracy and safety.

• Avoiding Hazards:

- Always ensure that the correct seater head is used for the specific bullet type.
- Do not attempt to modify or alter the product in any way.
- Ensure that your workspace is clear of any obstructions and hazards.
- Wear appropriate safety gear, such as safety glasses, when using the product.

• AgeSpecific Warnings:

- This product is not suitable for individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure that the workstation is stable and secure.
- Attach the Seater with Crimp to the reloading press according to the manufacturer's instructions.
- Select the appropriate seater head for the bullet you are using and securely attach it to the seater.

2. Usage:

- Place the cartridge case in the appropriate position in the reloading press.
- Insert the bullet into the case mouth.
- Activate the press to seat the bullet into the case.
- If crimping is desired, adjust the settings to apply the crimp to the cartridge mouth.
- Carefully inspect the finished cartridge for any defects or irregularities.

3. PostUsage Care:

- Clean the Seater after each use to maintain its performance.
- Store the product in a dry, cool place away from direct sunlight.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, follow local guidelines for disposing of metal and plastic components.
- Do not dispose of the product in household waste unless specified by local regulations.

Contact Information for Further Support

For any inquiries or support regarding the Seater with Crimp 1 1/4 Seater with Crimp 7mm Blaser Mag, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Seater with Crimp 1 1/4 Seater with Crimp 7mm Blaser Mag. Thank you for your attention to safety!
