

Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 7mm BR Rem

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRestSeater Safety Instructions

Introduction

Thank you for choosing the BenchRestSeater 1 1/4 for your precision seating needs. This product is designed to provide the highest level of accuracy when seating match bullets. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the BenchRestSeater is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when using this product.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Use the BenchRestSeater in a wellventilated area to avoid inhaling any dust or debris.
- Avoid using the seater with damaged or improperly sized bullets or cartridge cases.
- Ensure that the seaterhead is securely attached before use.
- Do not exceed the recommended specifications for the bullets and cartridge cases you are using.
- Be cautious of any sharp edges on the product to prevent cuts or injuries.

Instructions for Installation and Usage

1. Installation:

- Ensure that your workspace is clean and free of clutter.
- Attach the BenchRestSeater to a stable work surface using the appropriate mounting hardware.
- Select the correct seaterhead for the bullet you intend to use and securely attach it to the seater.

2. Usage:

- Place the cartridge case into the seater's guide sleeve, ensuring it is positioned correctly.
- Insert the bullet into the cartridge case.
- Gradually lower the seaterhead onto the bullet while applying consistent pressure to ensure proper seating.
- Check the cartridge for concentricity and adjust as necessary.
- After use, clean the seater to remove any debris and maintain its performance.

Disposal Instructions

- Dispose of any used cartridges and bullets in accordance with local regulations.
- Do not dispose of the BenchRestSeater in regular household waste. Follow local guidelines for the disposal of metal and plastic components.

Contact Information for Further Support

For questions or concerns regarding the BenchRestSeater, please refer to the product manual or contact your local distributor for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your BenchRestSeater.
