

# Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 7mm Rem SAUM

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 1 1/4 BenchRestSeater 7mm Rem SAUM Safety Instructions

## Introduction

Thank you for choosing the BenchRestSeater 1 1/4 BenchRestSeater 7mm Rem SAUM. This product is designed to provide the highest precision in seating match bullets while ensuring safety during its use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always use the BenchRestSeater in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the BenchRestSeater before each use to ensure it is in good working condition.
- Follow all instructions provided in the manual to avoid misuse and potential hazards.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the seaterhead is securely attached before use.
- Do not exceed the recommended thread specifications.
- Use only compatible bullet types as specified in the manual.
- Avoid wearing loose clothing or jewelry that could get caught in the machinery.
- Always wear appropriate eye protection when using the product.
- Do not attempt to modify or alter the BenchRestSeater in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the workspace is clean and free from clutter.
- Securely mount the BenchRestSeater on a stable surface.
- Attach the seaterhead that is appropriate for the bullet type you will be using.

### 2. Usage:

- Place the cartridge case in the seating position.
- Align the bullet with the cartridge case using the guide sleeve.
- Slowly lower the seaterhead to seat the bullet into the cartridge case.
- Check for concentricity and make adjustments if necessary.
- After use, clean the BenchRestSeater to maintain its condition.

## Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or support related to the BenchRestSeater, please refer to the contact information provided in the product manual.

By following these safety instructions, you can ensure a safe and effective experience with the BenchRestSeater 1 1/4 BenchRestSeater 7mm Rem SAUM. Thank you for prioritizing safety and precision in your reloading activities.
