## Adjustable AK Rear Sight with Windage and Elevation Control

Upgrade your AK platform with this precision-engineered Adjustable AK Rear Sight, designed for shooters who demand accuracy and versatility. Unlike traditional AK rear sights, which only offer elevation adjustments, this innovative sight includes windage adjustment, giving you full control over both horizontal and vertical alignment. Whether you're fine-tuning for range or compensating for wind, this sight allows for precise aiming adjustments, ensuring better shot placement in any condition.

Crafted from durable steel, it's built to withstand the rigors of field use while maintaining accuracy. Its easy-to-use adjustment system means you can quickly make modifications without tools, making it ideal for both combat situations and range days. With a sleek, low-profile design, this sight integrates seamlessly with your AK platform, enhancing both performance and aesthetics.

# Adjustable AK Rear Sight Safety Instructions

## Introduction

Thank you for choosing the Adjustable AK Rear Sight. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure the sight is installed correctly to prevent accidents.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the sight and all firearm components clean and well-maintained.
- Avoid exposing the sight to extreme conditions that may affect its performance.
- Always check the sight for proper functioning before use.
- Store the sight in a secure location, out of reach of children.

## Specific Safety Precautions for Use

- Do not attempt to adjust the sight while aiming or firing.
- Always verify that the firearm is unloaded before making any adjustments to the sight.
- Use protective eyewear when shooting to safeguard against potential debris.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you notice any defects or irregularities in the sight, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing rear sight if applicable.
- Align the Adjustable AK Rear Sight with the mounting position on your AK platform.
- Securely fasten the sight using the provided screws or mounting hardware.
- Check to ensure the sight is firmly attached and does not wobble.

### 2. Adjusting the Sight:

- To adjust windage, use the appropriate tool to turn the windage adjustment knob.
- To adjust elevation, turn the elevation adjustment knob as needed.
- Make small adjustments and test fire to ensure accuracy.
- Repeat adjustments as necessary until desired accuracy is achieved.

### 3. Usage:

- Always ensure a proper shooting stance and grip on the firearm.
- Take your time to aim carefully, using the sight for alignment.
- Regularly check the sight during use to ensure it remains secure and functional.

## Disposal Instructions

- When disposing of the Adjustable AK Rear Sight, follow local regulations for electronic and metal waste.
- Do not dispose of the sight in regular household waste.
- Consider recycling options for metal components to minimize environmental impact.

## **Contact Information for Further Support**

For inquiries regarding safety or product performance, please refer to the manufacturer's contact information included with your product packaging.

By following these guidelines, you can ensure safe and effective use of your Adjustable AK Rear Sight. Thank you for your attention to safety.
