Oryx Accessories Side Panels with MLOK Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Accessories Side Panels with MLOK. These panels are designed to enhance the functionality and appearance of your MDT Oryx Chassis System. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Oryx Accessories Side Panels by following all instructions and guidelines provided.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- Always inspect the Oryx Accessories Side Panels for any damage before installation. Do not use damaged panels.
- Ensure that all hardware is securely tightened before use to prevent accidental detachment.
- Avoid overloading the panels with excessive weight beyond the recommended limits.
- Do not modify the panels or attempt to make alterations that could compromise safety.
- Use only compatible MLOK accessories as specified by the manufacturer.
- If you experience any issues with the panels during use, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and hardware included with the product.
- Ensure you have a clean and welllit workspace.

2. Installation:

- Align the Oryx Accessories Side Panels with the forend installation screws on your MDT Oryx Chassis System.
- Secure the panels using the provided hardware, ensuring they are tightened firmly.
- Attach any MLOK accessories as per their specific instructions, ensuring compatibility with the panels.

3. Usage:

- Once installed, test the stability of the panels by gently applying pressure to ensure they are securely attached.
- Use the panels to mount your favorite MLOK accessories as needed, ensuring not to exceed the weight compatibility limit of 2x MDT MLOK Exterior Forend Weights on each side.

4. PostInstallation Check:

- Regularly check the panels and their attachments for wear and tear, ensuring they remain secure during use.

Disposal Instructions

- When disposing of the Oryx Accessories Side Panels, follow local regulations for the disposal of plastic and metal products.
- Do not dispose of the panels in household waste. Instead, take them to a designated recycling facility if available.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Accessories Side Panels, please refer to the retailer from whom you purchased the product for further assistance.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and aesthetics of your MDT Oryx Chassis System with the Oryx Accessories Side Panels with MLOK.
