Safety Instruction Guide for MDT HNT Chassis

Introduction

Thank you for choosing the MDT HNT Chassis. This guide aims to provide you with essential safety information and instructions for the proper use of your hunting chassis. Please read this guide carefully to ensure safe and effective operation.

General Safety Guidelines

- Always ensure that the chassis is assembled correctly before use.
- Regularly inspect the chassis for any signs of wear or damage.
- Do not exceed the manufacturer's recommended weight limit when using accessories.
- Keep the chassis out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding the use of firearms and hunting equipment.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle the chassis with care to avoid injury.
 - Use protective gloves when assembling or disassembling components.
- **Storage:**
 - Store the chassis in a dry and secure location.
 - Avoid exposing the chassis to extreme temperatures or moisture.
- **Usage:**
 - Ensure that all components are securely fastened before use.
 - Do not modify the chassis or its components in any way.
 - Use only compatible accessories as specified by the manufacturer.
- **Transport:**
 - When transporting the chassis, ensure it is securely packed to prevent damage.
 - Always follow local regulations regarding the transportation of firearms and hunting equipment.

Instructions for Installation and Usage

1. Unpacking:

- Carefully remove the chassis and all components from the packaging.
- Check for any visible damage or missing parts. If any issues are found, contact the manufacturer.

2. Assembly:

- Attach the buttstock to the chassis base by aligning the mounting points and securing them with the provided screws.
- Attach the carbon fiber forend to the chassis base, ensuring it is firmly in place.
- Finally, attach the carbon fiber grip to the designated area on the chassis.

3. Adjustments:

- Adjust the buttstock length and cheek riser according to your comfort and shooting style.
- Ensure that all adjustments are locked in place before use.

4. Maintenance:

- Regularly clean the chassis using a soft cloth to remove dirt and debris.
- Inspect all components for wear and replace any damaged parts immediately.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling where possible.
- For the chassis and its components, follow local regulations for disposal of hunting equipment.
- Do not dispose of the product in household waste. Instead, take it to a designated disposal facility.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please consult the manufacturer's website or customer service. Ensure you have your product information available for faster assistance.
