MDT HNT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the MDT HNT Chassis. This guide provides essential safety instructions to ensure the safe use and handling of your hunting chassis. Please read this manual thoroughly before using the product to ensure your safety and the safety of others.

General Safety Guidelines

- Always follow local laws and regulations regarding firearm use and hunting.
- Ensure that the MDT HNT Chassis is used only with compatible firearms, specifically the Remington 700 model.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Keep the chassis out of reach of children and unauthorized users.
- Store the chassis in a secure location when not in use.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Weight Consideration:** The MDT HNT Chassis is designed to be ultralight at 26oz. Ensure you are physically capable of handling this weight, especially over extended periods.
- **Proper Handling:** Always handle the chassis with care. Avoid dropping or subjecting it to impact, as this may compromise its structural integrity.
- **Assembly and Disassembly:** Follow the installation instructions carefully. Improper assembly can lead to malfunctions or accidents.
- **Ammunition:** Use only recommended ammunition types with your firearm to avoid malfunctions.
- **Shooting Position:** Ensure a stable shooting position to minimize recoil and maintain control of the firearm.

Instructions for Installation and Usage

1. Installation of the MDT HNT Chassis:

- Ensure all components (chassis, buttstock, forend, and grip) are included in the package.
- Read the manufacturer's instructions carefully before starting the assembly.
- Attach the chassis base to the firearm following the manufacturer's guidelines.
- Secure the carbon fiber forend, grip, and foamfilled buttstock to the chassis base.
- Doublecheck all connections to ensure they are tight and secure.

2. Usage:

- Before shooting, ensure the firearm is unloaded.
- Check the alignment of the scope and other accessories.
- Always wear appropriate eye and ear protection while shooting.
- Maintain a clear line of sight and ensure no one is in the vicinity of your shooting range.

Disposal Instructions

- When the MDT HNT Chassis reaches the end of its life cycle or is no longer usable, dispose of it responsibly.
- Check local regulations for the proper disposal of carbon fiber and metal components.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT HNT Chassis, please contact the manufacturer or your local dealer. Ensure you have the product details available for reference.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your MDT HNT Chassis. Always stay informed about safety practices and regulations related to hunting and firearm use. Thank you for your attention to these important safety instructions.
