# MDT HNT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the MDT HNT Chassis HNT26 MED RH Fixed NonARCA BCF. This product is designed to provide you with an ultralight and durable hunting chassis system. To ensure your safety and the optimal performance of this product, please read and follow the safety guidelines outlined in this manual.

## General Safety Guidelines

- Ensure that the MDT HNT Chassis is used in accordance with all applicable laws and regulations in your area.
- Always handle firearms and related equipment responsibly and with care.
- Keep the chassis and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Do not exceed the manufacturer's specifications for weight and load capacity.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection while using firearms equipped with the MDT HNT Chassis.
- Ensure that the firearm is unloaded when attaching or detaching the chassis.
- Avoid using the chassis in adverse weather conditions that may affect performance or safety.
- Do not modify the chassis or its components in any way that could compromise safety.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have all components of the MDT HNT Chassis system: magnesium chassis base, carbon fiber forend, carbon fiber grip, and foam filled carbon fiber buttstock.
- Begin by attaching the chassis base to your Remington 700 according to the manufacturer's instructions.
- Securely fasten all screws and components to ensure stability and safety.
- Attach the carbon fiber forend to the chassis base, ensuring it is locked in place.
- Install the carbon fiber grip and foam filled carbon fiber buttstock, following the same secure fastening procedures.

### 2. Usage:

- Before using the chassis, ensure that it is properly installed and all components are securely fastened.
- Familiarize yourself with the handling and operation of your firearm while it is equipped with the MDT HNT Chassis.
- Always check the firearm's safety features before use.

## Disposal Instructions

- Dispose of the MDT HNT Chassis and its components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling components where possible, especially carbon fiber and metal parts.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT HNT Chassis, please refer to the manufacturer's website or customer service for assistance. Always ensure that you have the latest information and updates regarding your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT HNT Chassis. Thank you for your attention to safety!
