MDT HNT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the MDT HNT Chassis HNT26 MED RH Fixed NonARCA CKG. This product is designed to provide a lightweight and durable solution for hunting enthusiasts. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always ensure that the MDT HNT Chassis is used in accordance with the manufacturer's instructions.
- Inspect the chassis regularly for any signs of wear, damage, or defects before use.
- Store the chassis in a safe and secure location when not in use.
- Be aware of your surroundings and ensure that the area is safe for hunting activities.
- Use appropriate personal protective equipment (PPE) such as eye protection when handling firearms and accessories.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The MDT HNT Chassis is designed for use with compatible firearms. Ensure that your firearm is compatible with the chassis before installation.
- Always handle firearms as if they are loaded, and follow the basic rules of firearm safety.
- Do not modify the chassis or use it in a manner not intended by the manufacturer.
- Ensure that the chassis is securely attached to the firearm before use to avoid any accidents.
- Avoid exposing the chassis to extreme temperatures or harsh environmental conditions that may affect its performance.
- Keep the chassis away from children and unauthorized users.

Instructions for Installation and Usage

Installation

1. **Read the Manual:** Before installation, read the entire manual to familiarize yourself with the components and instructions.
2. **Gather Tools:** Ensure you have all necessary tools for installation, including a torque wrench if required.
3. **Prepare the Firearm:** Ensure the firearm is unloaded and in a safe condition before beginning installation.
4. **Attach the Chassis:**
 - Align the MDT HNT Chassis with the firearm's action.
 - Securely fasten the chassis according to the manufacturer's instructions, ensuring all screws and bolts are tightened to the recommended torque specifications.
5. **Install Accessories:** Attach any additional accessories such as the buttstock and forend as per the instructions provided.

Usage

- Always ensure the firearm is in a safe condition before using the MDT HNT Chassis.
- Use the chassis in a manner that is consistent with safe hunting practices.
- Regularly check the tightness of all components during use.
- If you experience any issues while using the chassis, stop using it immediately and consult the manufacturer for assistance.

Disposal Instructions

- Dispose of the MDT HNT Chassis in accordance with local regulations concerning electronic and nonelectronic waste.
- Do not dispose of the chassis in regular household waste. Check with local waste management authorities for proper disposal methods.
- Ensure that any components that can be recycled are disposed of in a responsible manner.

Contact Information for Further Support

For any questions or concerns regarding the MDT HNT Chassis, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for more details.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT HNT Chassis. Thank you for your attention to safety and responsible use.
