Turn Your Factory Rifle Into a Long-Range Contender

Get more accuracy and consistency out of your factory rifle with the Field Stock—a no-nonsense upgrade built for real-world performance. The traditional polymer design delivers ergonomic comfort and stays warm even in harsh, cold-weather conditions.

Inside, a precision-machined aluminum V-block anchors your action solidly in place, while the free-floating barrel ensures repeatable long-range performance. The adjustable buttstock fine-tunes your length of pull and cheek weld—giving you rock-solid consistency shot after shot.

Modular. Versatile. Ready for Anything. Whether you're hitting steel at distance, chasing game in the backcountry, or setting up in a blind, the Field Stock adapts to your mission.

NO IMAGE  
AVAILABLE

1. M-LOK Forend – Mount bipods, ARCA rails, or barricade stops where you need them
2. Sling Swivel Studs – Attach a sling or hunting bipod out of the box
3. AICS Magazine Compatible – Load up and run reliable detachable mags
4. Adjustable Cheek Riser & LOP Spacers – Maintain perfect head alignment and target acquisition

No fluff. No gimmicks. Just the upgrades you need to shoot better. From competition to hunting, the Field Stock delivers the control, comfort, and modularity you need to shoot with confidence—every time.

# MDT Chassis Field Stock Tikka T1X Safety Instructions

## Introduction

Thank you for choosing the MDT Chassis Field Stock for your Tikka T1X rifle. This product is designed to enhance your shooting experience by providing improved accuracy and comfort. However, it is essential to follow safety guidelines to ensure safe usage and optimal performance. This guide outlines important safety instructions and precautions to help you use this product responsibly.

## General Safety Guidelines

- Ensure that the MDT Chassis is compatible with your Tikka T1X rifle before installation.
- Always handle firearms with care and follow all firearm safety rules.
- Keep the MDT Chassis and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the MDT Chassis for any signs of wear or damage before use.
- Use only manufacturerapproved accessories and components with the MDT Chassis.
- In case of any doubts or questions, consult a qualified gunsmith or the manufacturer.

## Specific Safety Precautions for Use

- **Firearm Safety:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Personal Protective Equipment:** Wear appropriate safety gear, including eye and ear protection, when using your firearm.
- **Environmental Awareness:** Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- **Loading and Unloading:** Always load and unload your firearm in a safe area, following standard safety procedures.
- **Sling Swivel Use:** Ensure that sling swivel studs are securely attached before using a sling or bipod to prevent accidental detachment.
- **Adjustments:** Make any adjustments to the buttstock or cheek riser while the firearm is unloaded and pointed in a safe direction.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your Tikka T1X rifle is unloaded and pointed in a safe direction.
2. **Remove the Factory Stock:** Carefully detach the factory stock from your Tikka T1X by following the manufacturer's instructions.
3. **Attach the MDT Chassis:**
  - Align the action of your Tikka T1X with the precisionmachined Vblock of the MDT Chassis.
  - Securely fasten the action screws according to the manufacturer's specifications.
4. **Install Accessories:** Utilize the MLOK forend to attach any necessary accessories such as bipods or rails.
5. **Adjust the Buttstock:** Set the desired length of pull and cheek weld by adjusting the buttstock and riser.
6. **Final Check:** Ensure all components are secure and perform a final inspection before use.

### Usage

- **Shooting Position:** Ensure a stable shooting position when using the MDT Chassis. Adjust the buttstock and cheek riser for optimal comfort and alignment.
- **Maintenance:** Regularly clean and maintain the MDT Chassis according to the manufacturer's

recommendations to ensure longevity and performance.

- **Transport:** When transporting your firearm with the MDT Chassis, ensure it is unloaded and secured in a suitable case.

## Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of any components in regular household waste. Check with local recycling centers for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or performance, please consult your local retailer or the manufacturer's website for detailed support and resources. Remember to keep this safety instruction guide for future reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis Field Stock for the Tikka T1X rifle. Always prioritize safety and responsible firearm usage.
