

Weatherby MARK V LA RH Folding Arca CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT HNT26 is MDT's first purpose-built hunting chassis, designed for those who demand ultra-lightweight performance without compromising durability. Built from magnesium and carbon fiber, it's one of the lightest rifle chassis systems ever made.

At just 0.7kg (chassis, buttstock, forend, and pistol grip combined), the HNT26 is engineered for backcountry hunters who count every ounce. Opt for the folding stock and ARCA forend, and the total weight still stays incredibly low—around 0.87kg.

Weatherby MARK V LA RH Folding Arca Safety Instruction Guide

Introduction

Thank you for choosing the Weatherby MARK V LA RH Folding Arca. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read and understand all instructions carefully before using the rifle chassis.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding firearm usage and ownership.
- Always treat every firearm as if it is loaded.
- Store the rifle and chassis securely to prevent unauthorized access, especially from children.
- Use only compatible accessories and components as specified by the manufacturer.
- Regularly inspect your rifle chassis for any signs of wear or damage before each use.
- Keep the rifle and chassis clean and wellmaintained to ensure optimal performance and safety.
- Always wear appropriate protective gear, such as eye and ear protection, when using firearms.

Specific Safety Precautions for Use

- **Weight Considerations:** The HNT26 chassis is designed to be lightweight. Be cautious of its handling and ensure proper grip to avoid accidental drops.
- **Folding Stock:** When using the folding stock feature, ensure it is securely locked in place before use. Check for any obstructions that may prevent proper folding or unfolding.
- **ARCA Forend:** When using the ARCA forend with tripods, ensure that connections are secure to prevent accidental detachment during use.
- **AICS Magazine Compatibility:** Only use AICS magazines that are compatible with the Weatherby MARK V to avoid malfunctions.
- **Environmental Conditions:** Avoid using the rifle chassis in extreme weather conditions that could affect its performance or durability.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Carefully follow the manufacturer's instructions for mounting the chassis to the rifle.
- Ensure all screws and fasteners are tightened to the recommended torque specifications.

2. Adjusting Length of Pull and Comb Height:

- Use the adjustable features to customize the length of pull and comb height for a perfect fit.
- Make adjustments while the rifle is in a safe and secure position.

3. Folding Stock Operation:

- To fold the stock, ensure the rifle is pointed in a safe direction.
- Release the locking mechanism and gently fold the stock until it clicks into place.
- To unfold, release the lock and extend the stock until it is fully engaged.

4. Using the ARCA Forend:

- Attach the forend to compatible tripods or accessories according to the manufacturer's

specifications.

- Ensure that the attachment is secure before using the setup in the field.

5. **Loading and Unloading:**

- Follow standard procedures for loading and unloading the rifle.
- Always keep the muzzle pointed in a safe direction during this process.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding the disposal of firearms and accessories.
- If the product is no longer usable, consider contacting a local authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with your product packaging. Ensure you have the product details handy for efficient assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on your responsible use and maintenance of the Weatherby MARK V LA RH Folding Arca.
