

# DeadShot Compact Sitting Bipod

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The DeadShot Compact Sitting Bipod is designed for hunters on the go where conditions demand a minimalistic profile, but where BOG's world-renowned stability is still required. This low-profile shooting stick features a simplistic fold-up aluminum leg design, a rubberized shooting yoke, fixed rubber feet for traction in any terrain, and an overall weight that will require you to double-check just to make sure you brought it with you! The DeadShot Compact Sitting Bipod is designed for sitting-to-kneeling shooting positions.

# DeadShot Compact Sitting Bipod Safety Instruction Guide

## Introduction

Thank you for choosing the DeadShot Compact Sitting Bipod. This product is designed to enhance your shooting experience while providing stability and ease of use. Please read this safety instruction guide carefully to ensure safe and effective use of the bipod.

## General Safety Guidelines

- Ensure the bipod is used only for its intended purpose.
- Always inspect the bipod before use for any signs of damage or wear.
- Keep the bipod away from children and vulnerable individuals.
- Use the bipod in a safe environment, free from obstacles and hazards.
- Be aware of your surroundings when using the bipod, especially in hunting situations.

## Specific Safety Precautions for Use

- **Stability:** Always ensure that the bipod is securely positioned on stable ground to prevent tipping or sliding.
- **Shooting Position:** Use the bipod only in sitting or kneeling shooting positions as intended.
- **Weight Limit:** Do not exceed the weight limit of the bipod. Check manufacturer specifications for details.
- **Rubber Feet:** Ensure that the rubber feet are in good condition to provide adequate traction on various terrains.
- **Shooting Yoke:** Use the rubberized shooting yoke properly to secure your firearm. Ensure it is free from obstructions before use.
- **Folding Mechanism:** Be cautious when folding and unfolding the bipod. Keep fingers clear of moving parts to avoid pinching.

## Instructions for Installation and Usage

### 1. Setting Up the Bipod:

- Remove the bipod from its carrying case.
- Unfold the legs of the bipod until they lock into place.
- Adjust the height of the bipod as needed for your shooting position.

### 2. Attaching Your Firearm:

- Place your firearm in the rubberized shooting yoke.
- Ensure the firearm is securely positioned and stable.

### 3. Using the Bipod:

- Position yourself in a comfortable sitting or kneeling stance.
- Aim your firearm while maintaining a firm grip on the bipod for stability.
- Always be aware of your surroundings and ensure a clear line of sight before shooting.

### 4. Packing Up:

- After use, carefully remove your firearm from the shooting yoke.
- Fold the bipod legs back into their compact position.

- Store the bipod in a safe, dry place.

## **Disposal Instructions**

- Dispose of the bipod according to local regulations and guidelines.
- If the bipod is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the bipod in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the DeadShot Compact Sitting Bipod, please reach out to the EUbased contact point provided with your product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your DeadShot Compact Sitting Bipod. Thank you for your attention to safety.
