

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Savage 110 - SA - RH - Competitor - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, the MDT LSS GEN3 Competition Kit is your solution. It takes the most modular rifle chassis system on the market and tunes it for one thing: winning competitions.

No part picking. No mismatched accessories. Just a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in this kit is hand-selected to give you the edge in PRS, NRL, and precision rifle matches. It's not just modular—it's optimized.

The flat, wide Competition Forend with an integrated ARCA rail makes running barricades automatic. Lock in your tripod, clamp your bipod, and go. This isn't a compromise. You get the same rock-solid fitment and zero-retention that the GEN3 is known for—with competition-grade parts pre-installed.

Already a beast, yet still fully modular. Swap the grip. Switch the stock. Add weights, bridges, or accessories. Make it yours.

Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This product is designed to enhance your rifle's performance in competitions. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Inspect the product regularly for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that all components are securely attached before use.
- Avoid using the product in wet or slippery conditions to prevent accidents.
- Do not exceed the weight limits of the chassis system.
- Use appropriate safety gear, such as eye protection, when operating the rifle.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the product in ways not specified by the manufacturer.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the LSS Gen3 Kit from the packaging. Check for any visible damage or missing parts.
2. **Assembly:**
 - Attach the chassis to the Savage 110 action according to the manufacturer's instructions.
 - Secure all screws and components, ensuring a tight fit.
3. **Adjustments:**
 - Adjust the stock and grip to fit your comfort and shooting style.
 - Add weights or accessories as needed, following the manufacturer's guidelines.
4. **Testing:**
 - Before using the rifle in a competition, conduct a test to ensure everything is functioning properly.
 - Verify that the forend and integrated ARCA rail are securely attached.
5. **Usage:**
 - When using the rifle, maintain a firm grip and proper stance.
 - Follow all standard safety protocols for firearm handling and shooting.
6. **Maintenance:**
 - Regularly clean and inspect the chassis and components.
 - Replace any worn or damaged parts immediately to maintain safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Remove all accessories and components before disposal.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the LSS Gen3 Kit SA MDT Chassis, please refer to the manufacturer's website or contact your local dealer for assistance. Ensure you have your product details ready for a more efficient support experience.

Thank you for prioritizing safety and compliance with the EU GPSR. Enjoy your experience with the LSS Gen3 Kit!
