

# **BIPOD - GRND POD - MDT Accessories - Bipod - GRND-Pod - Sling Swivel - BLK**

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The MDT GRND-Pod (pronounced "Ground-Pod") was developed for the shooter wanting a stable and secure platform to shoot off of without breaking the bank.

The MDT GRND-Pod is designed to adapt to the picatinny and RRS Dovetail/ARCA mounting interfaces and offers shooters a one hand adjustable height range from 4.5" - 9", with 4-locking positions in the 0°, 50°, 90° and 180° positions.

The MDT GRND-Pod legs are also Atlas/Ckye-Pod foot compatible and can be fully extended just by pulling down on the legs in any position!

# Safety Instruction Guide for MDT GRNDPod Bipod

## Introduction

Thank you for choosing the MDT GRNDPod Bipod. This product is designed to provide you with a stable and secure shooting platform. To ensure safe and effective use of the bipod, please follow the safety instructions outlined in this guide. Your safety is our priority.

## General Safety Guidelines

- Always use the bipod in accordance with the manufacturer's instructions.
- Inspect the bipod before each use for any signs of damage or wear. Do not use if damaged.
- Ensure that the bipod is securely mounted to your firearm before use.
- Always handle firearms with care and follow all firearm safety rules.
- Keep the bipod and all accessories out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that the area is safe for shooting.
- Report any unsafe product conditions or accidents to the appropriate authorities immediately.

## Specific Safety Precautions for Use

- Ensure that the bipod is adjusted to the correct height for your shooting position.
- Do not exceed the weight limit of the bipod as specified in the product specifications.
- Avoid using the bipod in extreme weather conditions that may affect its performance.
- Always use the bipod on stable ground to prevent tipping or sliding.
- When adjusting the bipod, do so slowly and carefully to avoid sudden movements.
- Do not place your hands or any body parts in the path of moving parts during adjustments.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the bipod is compatible with your firearm's mounting interface (Picatinny or RRS Dovetail/ARCA).
- Align the bipod with the mounting interface and secure it according to the manufacturer's instructions.
- Verify that the bipod is firmly attached and does not wobble.

### 2. Height Adjustment

- To adjust the height, pull down on the legs of the bipod to extend them.
- Choose the desired height between 4.5" and 9" and ensure the locking mechanism is engaged in one of the four positions (0°, 50°, 90°, and 180°).
- Always check that the legs are locked in place before use.

### 3. Usage

- Position the bipod on stable ground.
- When ready to shoot, ensure your firearm is securely mounted to the bipod.
- Maintain a firm grip on your firearm and be prepared for recoil.
- After use, retract the legs of the bipod for easy transport and storage.

## **Disposal Instructions**

- Dispose of the MDT GRNDPod Bipod in accordance with local regulations for electronic and metal waste.
- Do not dispose of the bipod in regular household waste.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MDT GRNDPod Bipod, please contact the manufacturer directly. Ensure you have the product information available for faster assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the MDT GRNDPod Bipod!
