# Safety Instruction Guide for ACC Premier Gen2 System Rem700 SA MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen2 System Rem700 SA MDT Chassis. This guide provides essential safety instructions to ensure the safe use of your product. Please read this manual carefully to understand the safety precautions, installation instructions, and proper usage guidelines.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a chassis system for the Remington 700 rifle.
- Always handle firearms and associated equipment with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users to prevent accidents.
- Inspect the product regularly for any signs of wear or damage. Do not use a damaged chassis.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Use caution when adjusting the chassis to avoid pinching fingers or causing injury.
- Verify that all components are securely fastened before using the system.
- Do not exceed the weight limits specified for the chassis to maintain balance and stability.
- If you are unfamiliar with firearm handling, seek guidance from a qualified instructor before use.
- Ensure that any optional accessories are compatible with the chassis and installed correctly.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Remove the action from your Remington 700 rifle as per the manufacturer's instructions.
- Place the action into the MDT ACC Premier Gen2 chassis, ensuring it fits securely.
- Tighten all screws and bolts according to the torque specifications provided in the product manual.
- Attach the forend securely, ensuring it is aligned correctly with the action.

### 2. Adjusting the Chassis:

- Adjust the length of pull to suit your shooting style. Loosen the adjustment screws, set the desired length, and retighten.
- Modify the cheek weld position for optimal comfort and alignment with your sight. Ensure it is locked into place.
- Balance the chassis by adding or removing weights as needed to achieve the desired handling characteristics.

### 3. Using the Chassis:

- Always ensure the firearm is in a safe condition before handling.
- Maintain a proper shooting stance and grip when using the rifle with the chassis.
- Practice regularly to become familiar with the balance and handling of the rifle.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and aluminum waste.
- Ensure that any firearms or ammunition components are disposed of safely and legally.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the ACC Premier Gen2 System Rem700 SA MDT Chassis, please refer to the manufacturer's official website or customer service channels for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen2 System Rem700 SA MDT Chassis. Always prioritize safety, and remember to stay informed about best practices in firearm handling. Thank you for your attention to safety and for choosing our product.
