[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity, and customization, ensuring you have the edge needed to excel in every match.

Features a compact 15" forend, comfortably accommodating barrels starting at 17".

Balancing your competition rifle is important for finding targets quickly and landing follow-up shots. The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available.

# Safety Instruction Guide for the ACC Premier Gen2 System Rem700 SA MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen2 System Remington 700 SA LH FDE. This guide provides essential safety instructions and guidelines to ensure safe usage of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure proper handling of the product to avoid accidents.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Familiarize yourself with the product features and operation.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the rifle.
- Ensure that the rifle is unloaded when not in use or when handling.
- Do not point the rifle at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the product under the influence of drugs or alcohol.
- Regularly check and maintain the product to ensure it remains in safe working condition.

## Instructions for Installation and Usage

### • Installation:

1. Carefully unpack the chassis and components from the packaging.
2. Inspect all parts for any signs of damage or defects.
3. Follow the manufacturer's instructions to assemble the chassis onto the Remington 700 action.
4. Ensure that all screws and fasteners are tightened securely.
5. Adjust the forend and buttstock to your preferred settings.

### • Usage:

1. Load the rifle only when you are at the shooting range or in a safe environment.
2. Adjust the cheek weld and length of pull to ensure a comfortable shooting position.
3. Balance the rifle by attaching compatible weights as needed.
4. Practice good shooting etiquette and follow all local laws and regulations.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal and plastic components where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or support, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details ready when reaching out for support.

Thank you for prioritizing safety. Enjoy your shooting experience with the ACC Premier Gen2 System Remington 700 SA LH FDE.
