

Rossi 95 "Flyweight" Loading Gate Large Frame - Rossi 95 Load Gate Large Frame (Gold)| 45-70, 30-30, 444, 360

[Home](#)

Compatibility

Compatible with Rossi 95 rifles chambered in 45-70, 30-30, 444, and 360.

Not compatible with Rossi 95 models in .357 Mag, .44 Mag, or .45 Colt.

Lightweight and Precise

Reduces spring tension by up to 70%.

Requires only 1.5 lbs (0.7 kg) of force to open — compared to over 5 lbs (2.3 kg) on the factory loading gate.

Material

Precision-machined from 7075-T6 aluminum.

Hard anodized for extreme durability.

Significantly harder than hardened steel, offering exceptional wear resistance.

Benefits

Provides substantially more clearance for cartridges, making loading smoother — even with large calibers like .444 Marlin.

Optimized geometry ensures smooth, reliable feeding.

Completely deburred — no sharp edges.

SASS-approved (Single Action Shooting Society).

Rossi 95 "Flyweight" Loading Gate Large Frame Safety Instructions

Introduction

Thank you for choosing the Rossi 95 "Flyweight" Loading Gate Large Frame. This product is designed to enhance the functionality of your Rossi 95 rifles chambered in 4570, 3030, 444, and 360. To ensure your safety and the optimal use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols associated with their use.
- Ensure that the Rossi 95 Loading Gate is compatible with your specific model. This product is not compatible with Rossi 95 models in .357 Mag, .44 Mag, or .45 Colt.
- Before installation, ensure that the firearm is unloaded and the chamber is clear.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your Rossi 95 rifle before using this loading gate.
- Always wear appropriate safety gear, such as eye protection, when loading or unloading your firearm.
- Do not exceed the recommended force of 1.5 lbs (0.7 kg) when opening the loading gate. Excessive force may cause damage to the loading gate or firearm.
- Regularly inspect the loading gate for any signs of wear or damage. If any issues are found, discontinue use immediately and seek assistance.
- Do not attempt to modify or alter the loading gate in any way, as this may compromise safety and functionality.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and the chamber is clear.
- Gather necessary tools for installation, if required.

2. Installation

- Remove the existing loading gate from your Rossi 95 rifle according to the manufacturer's instructions.
- Carefully install the Rossi 95 "Flyweight" Loading Gate by aligning it with the designated mounting points.
- Secure the loading gate firmly, ensuring it is properly seated.

3. Usage

- To open the loading gate, apply a force of no more than 1.5 lbs (0.7 kg).
- Load cartridges smoothly, taking advantage of the increased clearance provided by the loading gate.
- Ensure that the loading gate operates smoothly without any resistance or binding.

4. PostUse Inspection

- After use, inspect the loading gate for any signs of wear or damage.
- Clean the loading gate and surrounding areas according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the Rossi 95 "Flyweight" Loading Gate in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for recycling programs or hazardous waste disposal options in your area.

Contact Information for Further Support

For any questions or concerns regarding the Rossi 95 "Flyweight" Loading Gate, please refer to the official Rossi website or contact your local dealer for assistance. Ensure that you have your product details handy for a more efficient support experience.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Rossi 95 "Flyweight" Loading Gate Large Frame. Thank you for your attention to safety!
