

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen 2 - CZ 457 - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your CZ 457 rifle. This guide provides essential safety information, installation instructions, and best practices for using your chassis safely and effectively. Please read this manual thoroughly before use to ensure a safe and enjoyable shooting experience.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the muzzle is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure a safe backdrop when shooting.
- Use only the recommended accessories and components with your chassis.
- Regularly inspect your chassis and rifle for any signs of wear or damage.
- Store your chassis and rifle in a secure location, away from unauthorized access, particularly by children.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the chassis is properly installed and secured before use.
- Only use ammunition that is compatible with your CZ 457 rifle.
- Avoid using your rifle in wet or damp conditions to prevent corrosion and damage.
- Do not exceed the weight limits specified by the manufacturer when adding accessories.
- Always wear appropriate eye and ear protection while shooting.
- If you experience any malfunctions or irregularities while using your rifle, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather all necessary tools, including a screwdriver for tightening screws.
- Ensure you are working in a clean, dry area free from distractions.

2. Installing Your Action:

- Carefully remove the action from your CZ 457 rifle.
- Align the action with the VBlock bedding inside the chassis.
- Ensure the action is seated correctly and securely in place.

3. Securing the Action:

- Tighten the two screws provided with the chassis to secure the action.
- Ensure the screws are tightened firmly, but do not overtighten to avoid damage.

4. Adding Accessories:

- Attach any bipods or tripods using the integrated ARCA rail.
- Verify that all accessories are securely fastened before use.

Usage

- Once installed, familiarize yourself with the balance and handling of your rifle.
- Practice shooting from various positions to ensure comfort and stability.
- Regularly check the tightness of screws and accessories before each use.
- Clean and maintain your chassis and rifle according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the chassis and any associated materials in accordance with local regulations.
- If the chassis is damaged beyond repair, contact local waste management services for proper disposal methods.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please reach out to your retailer or the manufacturer directly for assistance. It is important to ensure that you have access to accurate information and support for your product.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the ACC Premier Gen 2 MDT Chassis.
