

# Gunsmithing Glasses

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

The GTS Gunsmithing Glasses are purpose-built protective eyewear designed for precision work at the bench, in the workshop, and during firearm maintenance.

Whether assembling, cleaning, machining, or inspecting components, reliable eye protection is essential. These glasses provide certified impact protection while maintaining clear, distortion-free vision for detailed work.

Certified to EN 166 CE with a 1F impact rating, the GTS Gunsmithing Glasses offer dependable resistance against debris and workshop hazards. The product is equipped with a clear lens only, ensuring maximum light transmission and true color accuracy - ideal for indoor environments and tasks where visibility matters most.

For enhanced safety, the glasses feature hinged side protection, shielding the eyes not only from the front but also from angled impacts, flying particles, and splatter. This additional coverage provides a higher level of protection during demanding gunsmithing and maintenance work.

Lightweight and ergonomic, the frame ensures a secure and comfortable fit even during extended sessions at the workbench.

# GTS Gunsmithing Glasses Safety Instruction Guide

## Introduction

Thank you for choosing the GTS Gunsmithing Glasses. These glasses are designed to provide essential eye protection during precision work in gunsmithing, including assembly, cleaning, machining, and inspection of firearm components. This safety instruction guide outlines important safety information, usage instructions, and disposal guidelines to ensure your safety while using this product.

## General Safety Guidelines

- Always inspect the glasses before use for any damage or defects.
- Use the glasses in accordance with the intended purpose to ensure maximum safety.
- Keep the glasses clean and free from scratches to maintain clear vision.
- Store the glasses in a safe place when not in use to prevent damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the glasses fit securely on your face to prevent them from slipping during use.
- Do not use the glasses in situations where they do not provide adequate protection (e.g., high-velocity impacts not covered by the glasses' specifications).
- Avoid wearing the glasses in environments with extreme temperatures that may affect their integrity.
- Do not modify the glasses in any way, as this may compromise their protective features.
- If you experience any discomfort or vision issues while wearing the glasses, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Fitting the Glasses:

- Place the glasses on your face and adjust the fit using the frame's ergonomic design.
- Ensure that the glasses sit comfortably on your nose and around your ears without causing pressure.

### 2. Using the Glasses:

- Always wear the glasses when performing tasks that may involve flying debris or hazardous materials.
- For optimal visibility, ensure the lenses are clean and free from smudges or scratches.
- Utilize the hinged side protection feature to shield your eyes from angled impacts and splatter.

### 3. Maintaining the Glasses:

- Clean the lenses regularly with a soft, lint-free cloth and a suitable lens cleaner.
- Avoid using harsh chemicals or abrasive materials that may scratch the lenses.
- Store the glasses in a protective case when not in use to prevent damage.

## Disposal Instructions

- Dispose of the glasses responsibly in accordance with local waste disposal regulations.
- If the glasses are damaged beyond repair, consider recycling the materials if possible.

- Do not dispose of the glasses in regular household waste if they are made from recyclable materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the GTS Gunsmithing Glasses, please consult the product packaging for contact details. Your safety is our priority, and we are here to assist you.

Thank you for following these safety instructions. Enjoy your work with the GTS Gunsmithing Glasses while ensuring your safety and the safety of those around you.
