

# Core Bottom Metal - MDT Accessories - Core Bottom Metal - Tikka T3X - SA - RH - BLK

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

The MDT CORE Bottom Metal gives you the freedom to run the magazine setup that best suits your rifle. Designed for smooth and reliable reloads, it's fully compatible with a wide range of AICS-pattern magazines, making it easy to choose the capacity you need for hunting, competition, or range days.

With the adjustable magazine latch (compatible with the MDT Adjustable Mag Latch), you can fine-tune your mag fitment for perfect retention and flawless feeding. The ambidextrous mag latch ensures comfortable operation from either side, whether you're left- or right-hand dominant.

# MDT CORE Bottom Metal Safety Instruction Guide

## Introduction

Thank you for choosing the MDT CORE Bottom Metal for your Tikka T3X rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure safe handling and installation of the MDT CORE Bottom Metal.
- Always follow local laws and regulations regarding firearm accessories.
- Store the product in a secure location, away from children and unauthorized users.
- Regularly inspect the product for wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before installing or adjusting the bottom metal.
- Use only compatible AICSpattern magazines to prevent malfunctions.
- Adjust the magazine latch carefully to avoid injury or damage to the magazine.
- Do not force the magazine in or out of the bottom metal; this may cause damage.
- Be cautious when using the rifle in adverse conditions (e.g., rain, mud) to maintain functionality.
- Ensure that the trigger guard is clear of obstructions to avoid accidental discharges.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the rifle is completely unloaded. Remove any existing bottom metal if applicable.
2. **Align the Bottom Metal:** Position the MDT CORE Bottom Metal onto the rifle chassis, ensuring proper alignment with the action and magazine well.
3. **Secure the Bottom Metal:** Use the provided screws to attach the bottom metal securely. Do not overtighten, as this may strip the screws or damage the chassis.
4. **Install the Magazine Latch:** Attach the adjustable magazine latch according to the manufacturer's instructions. Ensure it is functioning correctly before use.

### Usage

1. **Loading the Magazine:** Insert the AICSpattern magazine into the bottom metal, ensuring it clicks into place securely.
2. **Adjusting the Magazine Latch:** If necessary, adjust the magazine latch for a snug fit. Test the fitment to ensure smooth operation and retention.
3. **Operating the Rifle:** Use the rifle as intended, ensuring that the trigger guard is clear and that you are following all safety protocols.
4. **Clearing Malfunctions:** If a malfunction occurs, safely unload the rifle and inspect the magazine and bottom metal for issues before attempting to reload.

## Disposal Instructions

- Dispose of the MDT CORE Bottom Metal according to local regulations for metal recycling.
- Ensure that all components are disposed of safely and responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For further support or inquiries regarding the MDT CORE Bottom Metal, please refer to the manufacturer's website or contact the designated EU contact point for safety inquiries.

Thank you for prioritizing safety while using your MDT CORE Bottom Metal. Enjoy your shooting experience responsibly!
