Introduction

Thank you for choosing the MDT CORE Bottom Metal for your Ruger American rifle. This guide provides essential safety instructions to ensure safe handling, installation, and usage of the product. Please read this document carefully to understand how to use the bottom metal safely and effectively.

General Safety Guidelines

- Always handle your rifle and accessories with care and respect.
- Ensure that the rifle is unloaded before installation or maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bottom metal for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and accessories.
- In case of any doubts or concerns, seek professional assistance.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunction or failure to feed.
- Misuse of the adjustable magazine latch can cause unintended magazine release.
- Use of incompatible magazines may result in feeding issues.

• Avoiding Hazards:

- Always ensure that the magazine is properly seated before use.
- Adjust the magazine latch carefully to avoid excessive force that could damage the mechanism.
- Only use AICSpattern magazines that are compatible with the MDT CORE Bottom Metal.

• AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 years and older.
- Ensure that younger users are supervised by a responsible adult when handling firearms and accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing bottom metal from your Ruger American rifle according to the manufacturer's instructions.
- Align the MDT CORE Bottom Metal with the rifle's action and ensure it fits snugly.
- Secure the bottom metal using the provided screws, ensuring they are tightened appropriately without overtightening.

2. Magazine Setup:

- Select the appropriate AICSpattern magazine for your needs.
- Insert the magazine into the bottom metal until you hear a click, indicating it is securely in place.
- Test the magazine fitment by gently pulling on the magazine to ensure it is retained properly.

3. Adjusting the Magazine Latch:

- If necessary, adjust the magazine latch using the MDT Adjustable Mag Latch tool.
- Make small adjustments and test the fitment after each change to achieve the desired retention.

4. Usage:

- Always check that the magazine is properly seated before firing.
- Practice safe firearm handling at all times.
- Regularly clean and maintain the bottom metal to ensure optimal performance.

Disposal Instructions

- Dispose of the MDT CORE Bottom Metal in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling metal components where facilities exist.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact their customer support. It is important to have access to professional assistance if you encounter any issues with the product.

By following these guidelines, you can ensure the safe and effective use of your MDT CORE Bottom Metal. Always prioritize safety and responsibility when handling firearms and accessories. Thank you for your attention to these important safety instructions.
