

# Core Bottom Metal - MDT Accessories - Core Bottom Metal - Savage 110 - SA - RH - BLK

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

The MDT CORE Bottom Metal gives you the freedom to run the magazine setup that best suits your rifle. Designed for smooth and reliable reloads, it's fully compatible with a wide range of AICS-pattern magazines, making it easy to choose the capacity you need for hunting, competition, or range days.

With the adjustable magazine latch (compatible with the MDT Adjustable Mag Latch), you can fine-tune your mag fitment for perfect retention and flawless feeding. The ambidextrous mag latch ensures comfortable operation from either side, whether you're left- or right-hand dominant.

A generously sized trigger guard accommodates both factory and aftermarket triggers, so you can upgrade your rifle without limitations.

MDT CORE Bottom Metal – Smooth reloads, perfect fit, maximum versatility.

# MDT CORE Bottom Metal Safety Instructions

## Introduction

Thank you for choosing the MDT CORE Bottom Metal for your Savage 110 rifle. This product is designed to enhance your shooting experience by providing a reliable and versatile magazine system. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is installed correctly according to the instructions provided.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the product and your firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the bottom metal for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and storage.

## Specific Safety Precautions for Use

- Be aware of the following potential hazards:
  - Improper installation may lead to malfunction or unsafe operation.
  - Using incompatible magazines could cause feeding issues or jams.
  - Failure to secure the magazine properly may result in accidental discharge.
- To avoid these hazards:
  - Follow the installation instructions closely.
  - Only use AICSpattern magazines that are compatible with the MDT CORE Bottom Metal.
  - Regularly check the magazine latch for proper function and adjust as necessary.
  - Use the ambidextrous mag latch carefully to ensure it operates smoothly from either side.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your rifle is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing bottom metal from your Savage 110 rifle.
- Align the MDT CORE Bottom Metal with the rifle's stock.
- Secure the bottom metal using the provided screws, ensuring it is tightly fastened but not overtightened.
- Check that the magazine latch is functioning correctly before use.

### 2. Usage:

- Insert a compatible AICSpattern magazine into the bottom metal.
- Ensure the magazine is seated properly and the latch engages securely.
- To remove the magazine, press the adjustable magazine latch and pull the magazine out gently.
- Regularly practice loading and unloading the magazine to ensure you are familiar with the operation.

## Disposal Instructions

- When disposing of the MDT CORE Bottom Metal, follow local regulations for the disposal of aluminum products.
- If the product is damaged or no longer usable, consider recycling it to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT CORE Bottom Metal, please refer to the manufacturer's website or customer support resources. It is essential to have an EUbased contact for safety inquiries, as required by the EU General Product Safety Regulation.

Stay safe and enjoy your shooting experience with the MDT CORE Bottom Metal!
