

# ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - CZ457 - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - CZ457 - RH - FDE](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015472

# ACC Premier Gen 2 Folding System MDT Chassis Safety Instructions

## Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This product has been designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain your chassis safely and effectively.

## General Safety Guidelines

- Always treat your firearm with respect and handle it as if it is loaded.
- Ensure that you are familiar with all local laws and regulations regarding the use and ownership of firearms.
- Store your chassis and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your chassis for any signs of wear or damage before each use.
- Avoid using the chassis in wet or humid conditions to prevent corrosion and damage.
- Use only compatible accessories and components with your chassis to ensure safety and performance.
- Report any unsafe conditions or accidents to the relevant authorities immediately.

## Specific Safety Precautions for Use

- Ensure that the chassis is securely attached to the firearm before use.
- Do not exceed the weight limit specified for the MDT weight system to maintain stability and performance.
- Always use the chassis in a safe and controlled environment, such as a designated shooting range.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Do not modify the chassis or its components without consulting the manufacturer.
- If you experience any issues with the chassis, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the action from the firearm according to the manufacturer's instructions.
- Place the action into the chassis.
- Secure the action in place using the two screws provided. Ensure they are tightened appropriately but do not overtighten.
- Check for any movement between the chassis and the action. If there is any movement, recheck the screw tightness.

### 2. Usage

- Adjust the ergonomics of the chassis to fit your preferences. This includes the cheek weld, hand position, and length of pull.
- Attach any accessories, such as bipods or tripods, to the ARCA rail as needed.
- Before firing, ensure the firearm is properly balanced and stable.
- Practice safe shooting techniques and maintain control of the firearm at all times.

## Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- If the chassis is damaged beyond repair, consider recycling materials where possible.

## Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen 2 Folding System MDT Chassis, please consult the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Always prioritize safety and responsible firearm handling.
