

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - CZ457 - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis for your CZ457 rifle. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the chassis is used only for its intended purpose.
- Always adhere to local laws and regulations regarding firearms and accessories.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Do not modify or alter the chassis in any way that may affect its performance or safety.
- Report any unsafe products or accidents to the relevant authorities.
- Check the EU's Safety Gate platform for recall updates on this product.

Specific Safety Precautions for Use

- **Handling:** Always handle your rifle and chassis with care. Treat every firearm as if it is loaded.
- **Installation:** Follow the installation instructions carefully to ensure proper fit and function.
- **Compatibility:** Ensure that the chassis is compatible with your specific model of rifle. Use only with the CZ457 model.
- **Weight System:** Be cautious when adjusting the weight system. Ensure that weights are securely attached and balanced.
- **Ergonomics:** Adjust the cheek weld, hand position, and length of pull to fit your body size and shooting style for optimal safety and comfort.
- **Training:** Seek proper training if you are unfamiliar with the operation of firearms and chassis systems.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and the safety is engaged.
- Remove the action from the original stock.
- Place the action into the ACC Premier Gen 2 chassis.
- Secure the action using the two provided screws. Ensure they are tightened properly to prevent movement.
- Check that the action is seated correctly and that there is no unwanted movement.

2. Usage:

- Attach any accessories such as bipods or tripods to the ARCA rail as needed.
- Adjust the chassis settings (cheek weld, hand position, length of pull) to suit your preferences.
- Before firing, ensure that the rifle is stable and balanced.
- Always use the chassis in a safe environment, following all shooting range rules and regulations.

Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.

- Consider recycling materials where possible, such as aluminum.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the ACC Premier Gen 2 Folding System MDT Chassis, please reach out to the appropriate EUbased contact point for your region. Ensure that you have the product information on hand for reference.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for your commitment to safety.
