

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Howa 1500 - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

ACC Premier Gen 2 Folding System MDT Chassis Safety Instruction Guide

Introduction

Thank you for purchasing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions to ensure proper use and maintenance of your product. Please read this guide carefully before using the chassis and keep it for future reference.

General Safety Guidelines

- Always ensure the chassis is properly installed and secured before use.
- Regularly inspect the chassis for any signs of wear or damage.
- Use only compatible accessories specifically designed for this chassis.
- Keep the chassis and all accessories out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearms and accessories.
- Report any unsafe conditions or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- **Handling:** Always handle the chassis with care. Ensure that it is unloaded and safe before installation or adjustments.
- **Environment:** Use the chassis in a safe and controlled environment. Avoid using it in areas with excessive noise, distractions, or potential hazards.
- **Maintenance:** Regularly clean and maintain the chassis to ensure optimal performance. Follow the manufacturer's recommendations for cleaning agents and procedures.
- **Weight System:** When using the MDT weight system, ensure weights are securely attached to prevent accidents.
- **Ergonomics:** Adjust the ergonomics (cheek weld, hand position, length of pull) to fit your body properly. This will enhance comfort and reduce the risk of injury during use.

Instructions for Installation and Usage

1. Installation:

- Remove your action from its original stock.
- Place the action into the ACC Premier Gen 2 chassis, ensuring it fits snugly.
- Secure the action using the two screws provided. Ensure they are tightened adequately without overtightening.

2. Adjustments:

- Adjust the cheek weld, hand position, and length of pull according to your preference. This will provide a custom fit and improve shooting accuracy.

3. Usage:

- Before using the chassis, ensure that it is properly balanced. This is critical for rapid target acquisition and followup shots.
- Mount bipods or tripods on the fulllength ARCA rail for improved stability and control.
- Always practice safe firearm handling techniques when using the chassis.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or maintenance, please contact the manufacturer or your point of purchase. It is important to have a reliable source for support to ensure safe and effective use of your product.

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. Your safety and satisfaction are our top priorities.
