

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Howa 1500 - SA - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

ACC Premier Gen 2 Folding System MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides important safety instructions and general guidelines to ensure the safe use of your product. Please read this document carefully before installation and operation.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the chassis for signs of wear or damage.
- Always handle firearms with care, following proper firearm safety protocols.
- Store the chassis in a safe and secure location when not in use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- When using the chassis, ensure that it is properly secured to the firearm to prevent any accidents.
- Do not exceed the weight limits specified for the MDT's weight system.
- Be cautious when adjusting the ergonomics of the chassis; ensure that all adjustments are secure before use.
- Use the chassis only with compatible firearms as specified in the product specifications.
- Avoid using the chassis in adverse weather conditions that could affect performance.
- Always use appropriate safety gear, including eye and ear protection, when shooting.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary tools and components before beginning installation.
- Clear your workspace and ensure it is free of distractions.

2. Installation:

- Drop your action into the chassis.
- Secure the action using the two screws provided. Ensure they are tightened to the manufacturer's specifications.
- Check that the action is firmly seated and that there is no movement.

3. Adjustments:

- Adjust the cheek weld, hand position, and length of pull to fit your personal preference.
- Ensure that all adjustments are secure before using the chassis.

4. Usage:

- Once installed, familiarize yourself with the balance and handling of the chassis.
- Practice safe shooting techniques and ensure that you are comfortable with the setup before engaging in live shooting.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding aluminum and firearm accessories.
- If the chassis is damaged beyond repair, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, please ensure you contact the appropriate EU-based support channels. Always refer to the manufacturer's website or customer service for additional guidance and support.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. For any further information, please consult the manufacturer's resources or your local regulations regarding firearm safety and accessories. Thank you for your attention to safety.
